**THAI SOUVENIR** . . Vice President Hubert Humphrey smiles as he tries on a straw farmer's hat during souvenir-shopping spree while on tour of Bangkok's canals today. Humphrey, who often leaves home without money in his pocket, had to borrow from U.S. officials and correspondents. (AP Photofax by radio from Bangkok)

## Humphrey in Laos After Viet Visit

BANGKOK, Thailand (AP) — Vice President Hubert H. Humphrey flew from Bangkok to Laos for a brief visit today and told the Laotians he had come to reassure them of his government's pledge "to work with you in developing your resources."

Humphrey flew across the Mekong River from Thailand after making an aerial inspection tour of eight projects including sites for a huge power dam to serve both Laos and Thailand and a Mekong dam that will create a giant lake for irrigation.

These are the kinds of projects contemplated under President Johnson's Southeast Asia development concept.

Before reaching Laos, Humphrey told a reporter he also

## Storm Rakes Southeast U.S.

By THE ASSOCIATED PRESS

A tornado-spawning wind and rain storm that raked portions of the South for hours, moved out to sea today.

Tornadoes in North Carolina, Virginia and Georgia Sunday caused heavy damage to private property. At least one death was reported.

Rain and flash flooding was widespread. Heavy rain fell over sections of Tennessee, Pennsylvania, Mississippi, Ohio, West Virginia, Alabama and portions of New England.

## Plane Hunting Bomb Crashes, 8 Aboard Dead

PALOMARES BEACH, Spain (AP)—Air and ground searches today located the wreckage of a U.S. Air Force Globemaster with eight Americans aboard which crashed while delivering material for the search for the U.S. nuclear bomb missing off the coast of Spain.

A U.S. spokesman said the wreckage was sighted six miles northwest of the village of Trevelez, on the snow-covered slopes of 11,423-foot Pico Mulhacen, in the Sierra Nevada Mountains.

There was no mention of survivors.

The giant C124, based at Hunter Air Force Base, Ga., disappeared Saturday night after leaving Seville with two buses for use by bomb searchers here on the southern coast.

Spanish Civil Guards and civilian volunteers resumed the search for the plane early today after camping out in the snowy Sierra Nevada mountains.

A day-long search Sunday by ground and air teams, hampered by a bitter winter storm, failed to turn up any definite clues.

Try This for Attention

If you're feeling sorry for yourself, and thinking nobody knows you're around, just forget to send in an income tax return . . . The modern mother is one who, when the bread doesn't rise, figures there's something wrong with the toaster . . . Says the cynic: Marital fidelity gets a lot of credit that belongs to cold feet and tired blood . . . A woman doesn't really mind telling her age. What she minds is the retelling.

## Bill Bans Aid To U.S. Enemies

WASHINGTON (AP) — Rep. Olin Teague, D-Tex., has introduced a House bill providing a penalty of 10 years in prison and a \$10,000 fine for extending any kind of aid to U.S. enemies during armed conflict.

Teague said he introduced the bill Thursday because there is no present provision for dealing with various groups that protest U.S. policy in Viet Nam and attempt to aid the Viet Cong or the North Vietnamese government.

# Allied Drive Rescues Huge Viet Rice Crop

## Naftalin Set To Seek DFL Lt. Gov. Bid

MINNEAPOLIS (AP) — Mayor Arthur Naftalin said today he is available for the DFL endorsement for lieutenant governor, but wouldn't say who he'd like to run with.

Naftalin, 48, said his experience in state government would add "important strength" to the state ticket. He served as commissioner of administration under Gov. Orville Freeman from 1954 to 1960.

"If elected, I will welcome a return to state activity and a resumption of the close working relationship I enjoyed with legislators during the sessions of 1955, 1957 and 1959," Naftalin said at a press conference this morning.

He said he would be happy to run with any of the four men regarded as possible DFL choices for governor — Gov. Karl Rolvaag, Lt. Gov. A. M. Keith, Rep. Fred Cina and Robert E. Short.

Naftalin said he has or will discuss his candidacy with each of the four. He termed the reaction from Rolvaag "friendly."

Naftalin's term as mayor runs to mid-1967 so he would not have to think about resigning until elected. Glenn Olson, a Republican, would become mayor by virtue of his office as president of the City Council if Naftalin resigned.

The mayor's office was the political jumping-off place for Vice President Hubert H. Humphrey. Republican Mayor P. Kenneth Peterson tried unsuccessfully for the U.S. Senate while holding the city office.

Naftalin, onetime political science professor at the University of Minnesota, said he would not campaign actively for delegate support at this time.

Speculation before the press conference was that Naftalin might possibly bid for the governor's seat.

## Plane Lands Safely After Engine Burns

DALLAS (AP)—A Braniff International Airlines Boeing 720 with 123 persons aboard landed safely at Love Field Sunday after one of its jet engines burst into flames and disintegrated.

The pilot, Capt. L.T. Dutcher, said he was making a routine landing when the No. 1 engine ignited and disintegrated, scattering parts as the craft sped down the runway.

## Wholesale Price Index Increases

WASHINGTON (AP) — The Labor Department reported Sunday that the wholesale price index, a prime indicator of price movements, rose .5 per cent in January.

A spokesman for the Bureau of Labor Statistics said the increase was one of the largest in some time.

## Barry Assails U.S. Groveling for Peace

WASHINGTON (AP) — Former Sen. Barry Goldwater of Arizona says an American demonstration of determination — and not what he calls "groveling" peace offensives — will bring Communist North Viet Nam to the conference table.

"I don't think it's our job to get the Communists to the conference table by begging, by going through other emissaries, by going through other leaders," the 1960 Republican presidential candidate said Sunday on ABC's radio-television program "Issues and Answers."

"I think we'll get the Hanoi government to the conference table when we convince them that we have the will to attack and that we are attacking them," Goldwater said.

**UNDER SNIPER FIRE** . . . A U.S. infantryman shouts encouragement as a line of his comrades return the fire of Viet Cong snipers in camouflaged positions north of Cu Chi in South Viet Nam today. The troops of the 25th Division faced heavy enemy fire as they attempted to expand their perimeter in the area known as "Hell's Half Acre," about 30 miles northwest of Saigon. This is one of a series of pictures by AP writer John T. Wheeler, made after he was hit in the hand by mortar shrapnel. (AP Photofax by radio from Saigon)

## 'Hell's Half Acre'

## GIs in Murderous Viet Cong Crossfire

By JOHN T. WHEELER

CU CHI, Viet Nam (AP)

They call it "Hell's Half Acre" because of the American blood that has spilled there.

Tunnel-dwelling Viet Cong snipers have done most of the damage. Today was no exception when the 2nd Battalion of the 27th Infantry, the famed Wolfhounds, moved out to attack.

About 600 yards from the perimeter of the 25th Division's 2nd Brigade the snipers opened up from such perfectly camouflaged positions that most of the GIs went the whole day without seeing one communist soldier.

The left flank of A Company probably was hit the worst. Viet Cong crossfire quickly killed and wounded several GIs and forced the survivors to retreat about 50 yards to an abandoned Viet Cong trench.

The Viet Cong continued to pour in fire at the dead and wounded while the Americans called for artillery support so they could slither out and haul back their comrades.

One sergeant was hit in the shoulder and leg, knocking him to the ground. As he rolled over a third shot ripped through his back.

A medic broke from cover and rushed to his side. As he dropped to his knees to begin giving aid, a bullet smashed into his stomach.

Pfc. Walter Schroll of Jersey City, N.J., said the "first shot seemed to paralyze him (the medic). I put a bandage on him and later he was hit in the leg."

"He screamed my name and I was yelling back, 'Help me, help me.' There was nobody back there but wounded."

Both the sergeant and the courageous medic died.

## Johnson Asks Teacher Aids, Rent Subsidies

WASHINGTON (AP) — President Johnson made a three-pronged request to Congress today for urgent action to provide \$55,881,000 for a rent subsidy program for the poor, a National Teacher Corps and expansion of the Selective Service System.

Johnson said the first two are "vital to our efforts to improve the quality of life in America" and the third is "a direct effort of our commitment to freedom in Southeast Asia."

His request was a letter to Speaker of the House John W. McCormack.

## Condition of Rabbi Critical

DETROIT (AP) — Doctors at Detroit's Sinai Hospital performed surgery again today on Rabbi Morris Adler, shot in the head Saturday by a young member of his congregation.

"His condition remains very critical," a hospital statement said.

The 59-year-old spiritual leader of 6,000 Detroit-area Jews was operated on Saturday shortly after he was gunned down during services at his synagogue.

## 150 Reds Slain In Scattered Ground Clashes

SAIGON, South Viet Nam (AP)—The Viet Cong mowed down three buses today, killing 54 Vietnamese civilians and wounding 18 in retaliation for an Allied operation that is rescuing a huge rice harvest.

Allied ground forces reported killing 150 Viet Cong in scattered clashes elsewhere in South Viet Nam in the past 24 hours, while U.S. planes hammered Communist targets in North and South Viet Nam. Guerrillas overran an outpost in the Mekong Delta, at Dinh Mon, and killed or captured all 11 defenders.

The death-dealing Viet Cong mines were set off on a road 10 miles southwest of Tuy Hoa, on the central coast where the U.S. 101st Airborne, South Korean marines and South Vietnamese troops have been scouring the countryside for several weeks while the rice was being harvested.

An American spokesman said the first blast was touched off about 7:30 a.m., catching a busload of farmers and killing 27 and wounding 11.

The explosion left a crater nine feet deep in the road, hurled the bus into a canal and scattered bodies along the roadside.

About an hour and a half later, the spokesman continued, a three-wheel vehicle used as a bus and jammed with passengers drove along the same stretch of road and touched off a second mine. Another 20 Vietnamese were killed and seven wounded.

An hour and a half later a second three-wheel bus drove onto the scene and set off a third mine. This time seven persons were reported killed.

The mining evidently was in retaliation for the rice harvesting, which has been highly successful in an area that until recently had to import 600 tons a month because the Viet Cong controlled a major portion of the crop.

The airborne brigade, which with Allied troops has killed 137 Viet Cong and captured 75 weapons in Operation Van Buren, reported that 51 per cent of the harvest is in, a total of 27,100 tons of rice now in government warehouses.

Patrols found new Viet Cong hideouts today, including abandoned tunnels and fortifications. A battalion-sized camp was discovered near where the farmers were blasted. A spokesman said it contained about 40,000 rounds of small-arms ammunition and had been deserted for about a week when the paratroopers converged on that district.

Some 50 miles southwest of Saigon, the Viet Cong early today attacked an outpost in Dinh Tuong Province manned by about 240 government militiamen. Planes and artillery finally drove the guerrillas back, killing five, a Vietnamese military spokesman said. Government losses were described as light.

## Bones Found in Rockford May Be Missing Girl, 11

ROCKFORD, Ill. (AP) — State's Atty. William R. Nash said today that the charred bones of a child, believed to be missing 11-year-old Susan Brady, have been found in a Rockford incinerator and that a man has been seized by federal officers in San Diego, Calif.

Nash told a news conference that Russell Charles Dewey, was seized in California Sunday on a federal fugitive warrant in connection with the investigation.

The state's attorney said the bones were found in an incinerator in the home of Dewey's grandparents.

Nash said Dewey told officers in California that he had a little girl with him when he was involved in a hit and run accident and that "he disposed of the body."

Nash did not elaborate on the nature of the girl's death.

## Winter Floods Draining Away

By THE ASSOCIATED PRESS

Wisconsin's winter floods were draining away today as residents turned to mopping up operations in water-logged areas near Baraboo.

The Baraboo River which crested at a record 2½ feet above flood stage Saturday at Baraboo, was still swollen by rains and melted snow Sunday night, but had receded back within its banks.

"From all appearances, all our problems are over," said Russell Prothro, civil defense director for Sauk County.

The death toll in the winter thaw which produced the floods climbed to three Sunday as a brother and sister fell through thin ice and drowned in a farm pond near Plainfield.

The victims were Ernest Beighton Jr., 6, and his sister, Mary Ann, 9, only children of Mr. and Mrs. Ernest Beighton of rural Plainfield. An ice fisherman drowned a week earlier when he plunged through thin ice on a lake near Trempealeau.

Snow-fled streams in southwestern Wisconsin and along Lake Michigan were all reported on the retreat Sunday.

Dynamite and a Coast Guard cutter were used to crack ice jams that had backed up waters in industrial areas of Green Bay and Sheboygan. The Kickapoo River was back in rein after midweek evacuations at Soldiers Grove and Gays Mills.

The dozen or so families that fled the Baraboo River's waters at North Freedom and Rock Springs in Sauk County were returning Sunday.

## WEATHER

FEDERAL FORECAST

WINONA AND VICINITY — Occasional cloudiness and colder tonight and Tuesday. Brief snow flurries tonight and early Tuesday. Low tonight 5 above to 5 below, high Tuesday 15.

LOCAL WEATHER

Official observations for the 24 hours ending at 12 m. Sunday: Maximum, 49; minimum, 20; noon, 21; precipitation, .03 (half inch snow).

Official observations for the 24 hours ending at 12 m. today: Maximum, 23; minimum, 6; noon, 19; precipitation, none.

# Now...for people over 40 only—

A board of doctors has created a remarkable new health plan just for you!

This valuable protection for the "danger years" ahead pays extra cash direct to you when you are hospitalized and—for the very first time—here is a Plan that actually pays money to help keep you well!

If you are over 40, you can qualify for the new 40-PLUS BENEFIT PLAN, if you mail your Enrollment no later than Midnight, February 20, 1966—and you can enroll for only \$1.00!

This, surely, is among the greatest values, as well as the most unusual health insurance program, ever offered to men and women over 40! Think of it. Simply by the stroke of your pen, you can now get the valuable "extra" health protection you've wanted at the very time when you are most apt to need it...all at a cost substantially less than you might expect!

## How the 40-PLUS BENEFIT PLAN Differs from Ordinary Health Insurance

The 40-PLUS Benefit Plan has been created by an insurance company run by doctors, the Physicians Mutual Insurance Company, which has specialized in health and accident protection for physicians, surgeons and dentists exclusively for more than 63 years. Now this fine old "doctors company" offers a wonderful new health plan to men and women over 40! And you may enroll during this Limited Enrollment Period—without having to see a company representative or without any red tape whatsoever!

In short, if you are 40 or over, you can now qualify for 40-PLUS. No other qualifications are required—provided you apply during this Limited Enrollment Period.

## How 40-PLUS Helps Your Doctor Keep You Well

As you know, and as your doctor will tell you, people who have regular physical examinations have a better chance to stay well and live longer. For example, doctors know that if cancer is discovered in its early stages there is a much better chance of curing it. To encourage you to see your doctor regularly, 40-PLUS will pay up to \$10 to help pay the cost of an annual routine physical check-up. You see your own doctor any time within 60 days after you receive your notice—but only if you want to.

The doctors at Physicians Mutual also realize that you could be struck down by an accident or a sudden illness no matter how often you see your doctor or how careful you are. During the dangerous "after 40" years, particularly, you may require hospitalization at any time. That's why the program also includes valuable cash benefits.

## How the Plan "Pays Off" in Time of Need

Here's how this valuable protection "pays off" in your time of need: \$100 a week (\$1428 a day) will be paid directly to you from the very first day of hospital confinement, for as long as 52 weeks, each time you are hospitalized for a new sickness or accident! You get paid for every day you are hospitalized, even if you are in the hospital for only a single day—up to as much as \$5200 for a full year! And even if you are hospitalized for a full year and have received your full \$5200 in benefits, if you should be so unfortunate as to be hospitalized again—you are still entitled to all benefits all over again, as long as you have been out of the hospital for at least six months between hospital confinements.

Important: Here is a real "plus" for you if you have been told you are uninsurable. Even if you have suffered from chronic ailments in the past, the kinds of conditions that come back again and again or are likely to recur, 40-PLUS will cover you for these pre-existing conditions after your policy has been in force for two years.

Whether or not you have had a chronic ailment, 40-PLUS will cover you for any new accident or sickness. As soon as your policy is in force, accidents are covered immediately. After your policy is 30 days old, you are covered for sicknesses which begin thereafter. There are only a few usual exceptions: war, military service, mental disorder or alcoholism, or if something happens "on the job" and is covered by Workmen's Compensation or Employers Liability Laws. You are free to go to any hospital of your own choice that makes a charge for room and board service, with these exceptions only: nursing homes, convalescent or self-care units of hospitals, Federal hospitals, or any hospital primarily for treatment of tuberculosis, alcoholism, drug addiction or mental disorder.

## 40-PLUS and the "Danger Years"

Of course, like most people over 40, you probably have some hospital insurance. But, as everyone knows, even the most complete hospital insurance simply doesn't cover everything. The fact is, you need more protection.

But now that you're over 40, now that you've entered the "danger years," it may be difficult to obtain the extra protection you need at a price you can afford—or, because

of the condition of your health, you may not be able to obtain it at any price!

That's why the new 40-PLUS Benefit Plan is so important to you—it brings you the hard-to-obtain "over 40" protection you need, at remarkably low rates. For only pennies a day, 40-PLUS will give you cash to help fill the "financial gap" probably not covered by your present health insurance.

And remember this—even if your basic hospital expenses are covered by your present insurance—you'll still need help with all your regular household expenses!

Think for a moment—if you're a husband, father and breadwinner, and you're suddenly hospitalized, what happens? Your income stops. Your expenses go up. Even if you have some kind of "salary insurance," it probably won't come close to replacing your full-time pay. It's quite likely that you and your family will never fully recover the tremendous financial loss!

If you're a wife, mother and homemaker, and are suddenly hospitalized, what happens? Who will look after your family, see that the children get hot meals, are properly clothed? Who will do the laundry, the marketing, the cleaning? Your husband may lose time from his job...it tends and relatives may have to help out temporarily...you may even have to hire full-time domestic help! Everything will be upset. Debts may be incurred, savings may be lost—worse still, peace of mind may be shattered, and even recovery can be seriously delayed!

But with the exclusive two-way protection 40-PLUS offers, you can now top worrying.

Actually, important as all of these benefits are, they are far from the only advantages you can now enjoy...if you act before the enrollment deadline.

For example:

## Benefits Tax-Free—Can't Be Reduced

For as long as you live and continue to pay your premiums, we will never cancel or refuse to renew your policy for health reasons—and we guarantee that we will never cancel, modify or terminate your policy unless we decline renewal on all policies of this type in your entire state. Furthermore, your benefits will never be reduced—and all your benefits are tax-free!

## Carry Any Other Insurance You Want

Yes, the 40-PLUS Benefit Plan pays you in addition to any other health insurance you carry, whether individual or group—even Medicare!

## Surprisingly Low Cost

With these wonderful "keep well" and "get better" benefits, you might expect 40-PLUS to cost much more than other health plans—but, in fact, it costs considerably less than you might expect! Only \$1.95 a month from age 40 through age 64—only \$6.95 a month when you are 65 or over—no additional premiums can ever be assessed—and, regardless of your age, your first month is only \$1.00!

## A Respected Company

Equally important as the exceptional value, the low cost, ease of enrollment and the high benefits offered by the 40-PLUS BENEFIT PLAN...is this vital fact: Your policy is backed by the resources, integrity and reputation of the Physicians Mutual Insurance Company, "the doctors company," specializing in health and accident protection for physician, surgeon and dentists all across America, for more than 63 years. Doctors right in your own community know about us and may actually be insured by Physicians Mutual. (If this is the first you have heard of Physicians Mutual, it's probably because this is one of the very few offerings it has made to the general public.) Serving policyholders throughout the United States direct by mail, Physicians Mutual has its headquarters in Omaha, Nebraska, and is licensed and incorporated in that state. Its Board of Directors is composed entirely of respected members of the medical, dental and insurance professions.

## How Can We Do It?

At this point, you may be asking yourself, "How can they offer so much for so little?" The question is a sensible one;

but the answer makes good sense, too: By encouraging our members to see their doctors for routine check-ups each year...we hope to prevent the need for hospitalization in the case of a number of policyholders. This, naturally, should effect substantial savings—savings we share with you in the form of lower premiums.

In addition, we have lower sales costs. 40-PLUS is a mass enrollment plan. And all business is conducted directly between you and the company by mail. No salesmen are used. There are no costly investigations or any extra fees for you to pay. It all adds up to real savings we share with you by giving you top protection at lower cost.

## Easy to Enroll—No Red Tape—No Salesman Will Call

Simply fill out the short Enrollment below and mail it with \$1.00 for your first month's coverage! We will issue your 40-PLUS Benefit Policy (Form P302 Series) immediately—the same day your Enrollment is received. This automatically puts the policy in force. Along with your policy, you will receive a simple, easy-to-use Claim Form. Should you at any time need your benefits, you can be sure that your claim will be given "top priority" treatment. In addition, we'll see to it that you receive special forms yearly to take to your doctor for your physical examination.

When you receive your policy, you'll see that it is direct, honest, easy-to-understand. But—and please note this carefully—if for any reason you decide you don't want your policy, you may return it in 10 days and we will promptly refund your dollar!

## Don't Wait Until the Deadline to Enroll!

Remember, the sooner we receive your Enrollment, the sooner 40-PLUS will cover you! So it's best you fill out and return your Enrollment now, before the deadline date arrives. (Two Enrollments are provided below so that husbands and wives may both enroll. In that case, be sure to enclose \$1.00 for each Enrollment.)

So, won't you take the necessary minute or two—today—and return your Enrollment together with the dollar required to put it into effect? Your Enrollment must be postmarked before midnight of February 20, 1966, or it cannot be accepted. Better mail your Enrollment today.

## 17 Important Questions Answered

### ABOUT THE NEW 40-PLUS BENEFIT PLAN

The New Plan That Pays You Cash When You Are Hospitalized—Plus "Extra" Benefits To Help Keep You Well

- 1. What is the 40-PLUS BENEFIT PLAN?**  
It is a new health insurance plan for people over 40 only—that pays an extra income direct to you when you are hospitalized and, in addition, provides a physical examination benefit each year to help your doctor keep you well.
- 2. Why do I need the 40-PLUS BENEFIT PLAN in addition to my regular health insurance?**  
Probably your present hospital insurance won't cover all your hospital expenses. But even if it does, you will still need help to pay all your regular household expenses while you are hospitalized.
- 3. Can I collect even though I carry other health insurance?**  
Yes. 40-PLUS pays you in addition to any health insurance you carry, whether group or individual—even Medicare!
- 4. Is there a lot of red tape to qualify?**  
No. The only qualification is that you must be over 40—even senior citizens over 65 are welcome.
- 5. If I become hospitalized, when do my benefits begin?**  
\$100 a week (\$1428 a day) will be paid directly to you from the very first day of hospital confinement.
- 6. How long will I be paid?**  
For as long as 52 weeks (as much as \$5200.00) while you are hospitalized for each new sickness or accident. If the full 52 weeks has been used, and the same condition recurs, a new 52-week period will be provided if there has been an interval of 6 months between hospital confinements.
- 7. When does my policy go into force?**  
It becomes effective on the date your Enrollment is received. Accidents are covered on that date. After your policy has been in force for 30 days, you are covered for sicknesses which begin thereafter.
- 8. What if I have had a health problem that may occur again?**  
Pre-existing conditions are covered after your policy has been in force for two years.
- 9. What conditions aren't covered?**  
Only the usual exceptions: war, military service, mental disorder or alcoholism, or any condition covered by Workmen's Compensation or Employers Liability Laws.
- 10. Does 40-PLUS pay in any hospital?**  
You will be covered in any hospital anywhere in the world that makes a charge for room and board service, except nursing homes, convalescent or self-care units of hospitals, Federal hospitals, or any hospital primarily for treatment of tuberculosis, alcoholism, drug addiction or mental disorder.
- 11. Can I drop out any time? Can you drop me?**  
No matter how many claims you make or how much you collect, we will never cancel or refuse to renew your policy for health reasons—for as long as you live. We guarantee that we will never cancel, modify or terminate your policy unless we decline renewal on all policies of this type in your entire state. You, of course, can drop your policy on any renewal date.
- 12. Will my claims be handled promptly?**  
Yes. With your policy, you will receive a simple, easy-to-use Claim Form. Your claims will be processed quickly and your checks will be sent directly to you.
- 13. How do I get my "physical" each year?**  
40-PLUS actually pays your own doctor up to \$10 annually toward your routine physical examination (but only if you want it). You receive special forms yearly to take to your doctor, so that he can give you your check-up within 60 days.
- 14. Why are the premiums so low?**  
Because this is a mass enrollment plan—and no salesmen are used—our volume is higher and our sales cost are lower.
- 15. How much does my first month cost?**  
Only \$1.00, regardless of age. After your first month, you pay only \$3.95 a month until age 64; only \$6.95 a month from age 65 and over.
- 16. Why is there a "deadline" date?**  
In order to offer the Plan to people over 40 without any qualifications and still maintain our low rate, we can only make the Plan available on this basis during a limited enrollment period. The deadline date is firm—we cannot accept your Enrollment unless postmarked on or before that date.
- 17. Why should I enroll right now?**  
Because an unexpected sickness or accident could strike without warning—and you will not be covered until your policy is in force. Remember, if for any reason you change your mind, you may return your policy within 10 days and your \$1.00 will be refunded immediately.

Fill out and mail Enrollment with \$1.00 to Physicians Mutual Insurance Company, 115 South 42nd Street, Omaha, Nebraska 68131. BE SURE TO ENCLOSE \$1 FOR EACH ENROLLMENT.

# Rivers Retreating; It'll Be Cold Week

The mid-winter flood is subsiding with the return of cold weather to Southeastern Minnesota and Western Wisconsin.

The Mississippi River, rising from a low of 6.40 feet last Wednesday to 9.45 feet today, was about at its peak for the present surge and, according to the Weather Bureau, will fall to the following marks in the next several days:

Tuesday	9.6
Wednesday	9.6
Thursday	9.3

If freezing tendencies continue, the fall may be more rapid toward the end of the week, the report said.

The river rose to 7.47 last Thursday, was 8.80 Friday, 9.01 Saturday and 8.95 Sunday.

All tributary streams in the district were falling with the advent of colder weather. The Chippewa River at Durand was 8.3 feet today, down 1.9 from Sunday. The Black River at Galesville, too, was falling. The reading there today was 9.5, down .9 of a foot in the past 24 hours. The Root at Houston was down to 7 feet, a drop of .4 since Sunday and well within its banks.

## Sheriff Checks Thefts In Three Communities

Three cases of petty theft and the locating of a missing person were reported this week to Sheriff George L. Fort.

Arthur Nelson, Minnesota City, reported Friday that someone had broken into the old Minnesota City Catholic church, which he owns, and stolen a hatchet with a case and

## Trust Fund Set For Parents of Stricken Child

FOUNTAIN CITY, Wis., — A neighbor of Mr. and Mrs. Roscoe Bittner whose 8-year-old daughter, Linda, is suffering from cancer at Children's Hospital, Madison, has set up a trust fund at First State Bank of Fountain City for the parents. She has invited contributions.

Her parents know now that Linda, who was taken ill about 1½ years ago, probably won't get home again; her condition became more serious last week.

Mr. Bittner took his wife to Madison this morning so she can remain near the child. Between two trips to Madison a week to see the child since Christmas, Mrs. Bittner has been cooking nights at Hillside Fish House, Marshland. They live on a farm nearby in Piper's Valley.

Neighbors and the grandparents, Mr. and Mrs. Arthur Bittner, who live nearby and Mr. and Mrs. Rudolph Hornberg, Winona, are helping out at the home. Three older children, Donald, Kenneth and Susan, board the bus daily for Cochrane-Fountain City School.

Linda has been hospitalized at Madison intermittently, for weeks at a time, since her first growth made amputation of part of her left leg necessary. Now the disease is spreading rapidly.

## Youth Accused Of Illegal Sale

A Winona man was accused today in municipal court of buying a sewing machine for no down payment and selling it the same day to a second-hand store.

The charge of depriving the original seller of his property is a felony carrying a maximum of two years in prison and a \$2,000 fine for a conviction.

ROGER E. Hokenstad, 18, 1720 W. Wabasha St., cannot plead to the charge in municipal court. However, he requested Judge John D. McGill to have the District Court appoint an attorney to represent him. The request was granted.

The judge ordered Hokenstad to appear with his attorney to ask for or waive preliminary hearing next Monday at 9:15 a.m. Meanwhile, Hokenstad is held in city jail in lieu of \$500 bond. He had not posted bail this morning.

Hokenstad is specifically charged with arranging the time purchase of a second-hand sewing machine from Winona Sewing Machine Co. Jan. 22.

HAVING obtained the machine, it is alleged, Hokenstad took it to Neumann's Bargain Store, 121 E. 2nd St., and resold it. He has made no payments to Winona Sewing Machine for the machine; and, under terms of the sales contract, the company alleges, the machine remains theirs until paid for.

William D. Carter, the salesman, made the above allegations against Hokenstad.

In the main channel of the Mississippi 24-hour changes ranged from a drop of 1 of a foot at Dakota to a rise of .6 of a foot at Whitman Dam.

Occasional cloudiness and colder is the forecast for tonight and Tuesday with brief snow flurries tonight and early Tuesday. A low of 5 above to 5 below is forecast for tonight and a high of 15 for Tuesday. Mostly fair and continued cold is the outlook for Wednesday.

EVEN THE extended forecast for the next five days indicates the cold spell will remain through the week. Average daily temperatures through Saturday will be 12 degrees below normal daily highs of 22 to 31 above and nighttime lows of 1 to 15.

Precipitation will average less than one-tenth of an inch in snow flurries at frequent intervals throughout the week.

The Winona temperature rose to 49 Saturday afternoon and following half an inch of snow was 20 Sunday morning. High Sunday afternoon was 23 and this morning the thermometer had dropped to 6. At noon today the reading was 19.

A year ago today the high here was 23 and the low -14. At that time 8 inches of snow lay on the ground.

All-time high for Feb. 14 was 56 in 1954 and 1934 and the low for the day was -16 in 1881. Mean for the past 24 hours was 14. Normal for this day is 19.

AS THE cold wave returned, the thermometer slipped far below the zero mark in northern Minnesota where at International Falls the national low this morning was 20 below. It was -11 at Hibbing and -4 at Duluth.

At Rochester the overnight low was 5 after a Sunday high of 31. La Crosse posted temperature extremes of 6 and 33.

Minot, N.D., had snow and a morning reading of 2 above.

WISCONSIN, too, basked in spring-like weather last week but the dream of an early spring was rudely removed by an arctic cold front that shivered its way into the state during the weekend.

The front was attended by some light snow but the reported amounts were all less than one-half inch.

Skies cleared in the northwestern section Sunday and over most of the state Sunday night. There was variable high cloudiness over the state early today.

The highest temperature reported in the state Sunday night was 40 at Milwaukee and Racine.

The lowest Wisconsin temperature overnight was 8 below at Hurley, ranging upward to 19 above at Milwaukee.

THE NATION'S high Sunday was 82 at West Palm Beach, Fla.

A black jacket with red lining was taken from his parked car Sunday afternoon, Garrett P. Fells, 859 Gilmore Ave., told the sheriff. Fells said that he parked his car in the lot at the Goodview Municipal Liquor Store, 4060 6th St., and found the jacket missing on his return about 2:30 p.m.

The jacket is size 48 or 50, he said, and has a hole in the front which has been sewn up.

JAMES H. Hewitt, a St. Charles policeman, brought in Robert Ripatti, Delano, Minn., on Saturday and turned him over to Sheriff Fort.

Ripatti had been listed as a missing person, and his son-in-law, Phillip R. Carlberg, Delano, was notified that Ripatti had been found. Still missing is a car that Ripatti was supposed to have been driving. A search of St. Charles did not turn up the missing vehicle.

Ripatti was turned over to his son-in-law by the sheriff.

The federal government operates 88 fish hatcheries and 35 wildlife refuges to aid more than 30 million fishermen and hunters.

IN COUNTY IN JANUARY

## New Medical Aid Plan Cost \$57,206

The new medical assistance program administered by the county welfare department cost \$57,206.57 in Winona County in January, the first month of its existence.

The county's share of this expense was \$11,309.74, according to William P. Werner, county welfare director. All of the expenses are not new.

Most of the cost was for hospital and nursing home care, Werner told the county welfare board Thursday. Hospital expenses were \$23,284.72, and nursing home cost was \$19,017.18.

UNDER THE new federal medical assistance plan, medical and administration costs which were formerly charged against each program are now consolidated into one.

For instance, in December, the last month of the old program, medical costs in Winona County were \$8,851 in old age assistance program, \$1,847 in aid to dependent children, \$904 in aid to the disabled, \$503 in aid to the blind, and \$20,273 under the old MAA program. Total cost was \$30,378.

The \$27,000 increase could have come from two sources, Werner said. One, increased signups for the new program, and two, year-end bills from previous months which were picked up and charged as medical vendors closed their year's books. This last cause happens every year, and hikes January costs, Werner said.

THE MONTHLY total is likely to increase, however, Werner said. January's total medical assistance costs were in only

two of the three classifications of eligibility. The department handled 538 cases during the month.

Medical assistance is available to: Adults 65 or over, certain handicapped persons 21 to 65, and to needy children under 21. No persons under 21 registered for assistance in January, Werner said. This was probably because of general unfamiliarity with the new law. Since Feb. 1, he said.

The welfare department aided 125 cases in the age 65-or-over group, and 7 in the middle group.

Old age assistance costs for January were \$18,402, of which \$1,680 was county costs. Total January costs for aid to the blind, aid to the disabled and aid to families with dependent children, were \$834, \$2,743 and \$10,542. These programs are not part of the medical program.

WERNER ALSO presented a petition and compromise settlement against an old-age lien, as held against a current recipient. The welfare board recommended he complete the transaction.

The board discussed problems of care and costs of handicapped persons placed in private facilities. No decisions were made.

Werner announced that his department is preparing a case for juvenile court regarding disposition of custody of minor children. A case review team from the state welfare department today began auditing the county's records to examine county case handling procedures and expenses.

## Fatal Accident Driver Enters Innocent Plea

Jerry H. Oldendorf, 19, La-moille, pleaded not guilty today in District Court to a charge of criminal negligence in connection with a fatal accident on U.S. 61-14 last fall.

His court-appointed attorney, William A. Lindquist, won an order by Judge Hatfield that County Attorney S. A. Sawyer provide a bill of particulars stating the facts claimed by the state in connection with its criminal negligence charge against Oldendorf.

Sawyer made no objection to Lindquist's motion for the bill of particulars. The bill is to be drawn up within three days, Judge Hatfield ordered.

Oldendorf told Judge Hatfield that he had signed no statement when questioned by police after his arrest. Lindquist indicated, however, that he would move for suppression of evidence allegedly gathered by the state at the accident scene to be used against the defendant.

Oldendorf is accused of being grossly negligent in colliding with a bridge abutment on U.S. 61-14 at Trout Creek the night of Nov. 26. Oldendorf's passenger, James C. Roberts, 25, died in the collision.

## Crash Driver Fined \$100

Two collisions on Winona streets this weekend involved \$700 damage to three vehicles and the destruction of a fourth, police reported.

The driver of the demolished car pleaded guilty today in municipal court to a drunken driving charge, and he made arrangements to pay a \$100 fine as the alternative to 60 days in county jail.

Judge John D. McGill imposed the sentence on Michael J. Pelowski, 21, 309 Adams St. Pelowski was arrested Saturday at 9:30 p.m. at West 5th and Johnson streets, scene of the collision.

Police reported that James F. Nienow, 20, St. Charles, was driving south on Johnson Street and that Pelowski was driving a car owned by Eugene Thrune, 184 N. Baker St., west on 5th Street when the collision occurred.

Damage to the front of Nienow's vehicle was estimated at \$300. The 1958, four-door sedan owned by Thrune was demolished.

A two-car collision at West Mill and Wilson streets Sunday at 10:45 a.m. caused \$200 to each of the vehicles, police reported.

Miss Margaret P. Boddy, Homer Rd. 3, was driving north on Wilson Street, and Sheryl D. Lien, 702 E. 4th St., was driving east on Mill Street when the collision occurred, according to police. Lien was driving a Winona Vets taxicab.

Miss Boddy and her passenger, Mrs. Eva Boddy, Homer Rd. 3, complained of pain following the collision. Three of the six passengers in the taxi also complained of pain. They are: Richard, Linda and Shirley Lande, all of 511 W. Bellevue St.

Damage was to the front of the Boddy car and to the right rear of the taxicab.

## Fatality Case Opens Tuesday

Attorney for Richard H. Brehmer has waived a jury trial for his client on a criminal negligence charge. District Court Clerk Joseph C. Page said today.

Brehmer, 21, Plainview, Minn., is scheduled to be tried on the charge Tuesday. He is accused of gross negligence in colliding with a truck tractor at East 3rd and Carmona streets the night of Sept. 3. Karen Lee Thilmany, 17, a passenger of Brehmer's died in the collision.

He had asked a jury trial in the matter; and his attorney, Daniel F. Foley, Wabasha, Minn., had won a change of venue to Olmsted County, claiming that an impartial jury could not be obtained in Winona County.

However, with the waiver of a jury trial, the case will be heard by Judge Arnold Hatfield in District Court here, beginning Tuesday morning.

# Young Buffalo County Man Named Outstanding Farmer

By GLENN HELGELAND  
Daily News Farm Editor

FOUNTAIN CITY, Wis. — Galen Engel, a dairy and turkey farmer six miles northeast of here, was named Wisconsin's outstanding young farmer of the year Saturday night at Kenosha.

He will represent the state in national competition April 3-5 at Birmingham, Ala. "We're going to really promote Wisconsin, too," he says. "Down there they think we still live like savages and make our living from the wild. But one taste of some Wisconsin cheese and milk will change their minds," Engel says.

HE WON OUT over 10 finalists and 325 original local and county entries. Sponsored by the Mondovi Jaycees, Engel is their first entrant in the state contest. The Outstanding Young Farmer program was begun this year, largely under the guidance of Dr. Gifford Jacobson, Mondovi.

Archie Brovold, Buffalo county agent, said, "Galen Engel has a tremendous farming operation. He is in excellent management, is active in community activities and is a good leader. The OYF committee can feel proud of themselves."

Engel, 34, operates an efficient, diversified 345-acre farm bought in 1897 by his grandfather, George Engel Sr. He rents from his father, George Engel Jr., with whom he began farming in partnership in 1948, one year before Galen graduated from high school. He has farmed on his own since 1958.

He raises 35,000 turkeys, and has a 40-cow Holstein herd that last year averaged 550 pounds of butterfat. He also has a beef herd of 28 Herefords and raises about 100 feeder pigs each year.

A NATIONAL 4-H poultry winner in 1948, he has raised chickens or turkeys continuously. He raised chickens until 1956, when he switched complete poultry operations to turkey production. He raised about 1,000 turkeys the first year.

Engel was one of the first Buffalo County farmers to begin grade A milk production. He started, with 24 other interested area farmers in 1952, and had shipped grade A since then. "At that time, grade A requirements forced you to be optimistic, but for better quality milk and higher prices we were willing to take the chance," he said. Time has proven the decision wise.

The 550-pound herd average is no fluke. "It took a steady building," the state winner said. He and his father began using artificial insemination for the entire herd more than 20 years ago. "It helped tremendously. We tried to build for longevity and keep the heavy producing old cows longer. We never bought and sold animals just to make a high yearly average. We used herd daughters and herd potential we already owned."

IF ENGEL expands his farming operations, it will be in dairying. He has considered several barn and milking operation plans. The dairy setup, and type of farmland he owns are more suited to growth here than in other farm enterprises, he feels. "I've got to grow a lot of cover crops on these hills to get good soil and water conservation. I can't have much row crops."

He raises the 35,000 turkeys in three flocks. Two winter flocks of about 10,000 each are marketed as fryers. The summer flock varies from 15,000-20,000. Hens from this flock go as fryers, toms are grown out and then marketed.

He uses a unique method of marketing his annual turkey production. He sells all birds on bid, does not contract with anyone.

"Competition is keen, especially for large birds during the Thanksgiving marketing season. Maybe during this time I could get a couple cents more on contract," he says, "but I like to be entirely on my own."

HE BUILT an insulated, heated pole shed, 74 by 240 feet, in 1958 for turkey raising. He bought most of the turkey feed until last year, when he installed a feed mixing system. Equipment includes a shelled corn cracker and weighing system.

He feeds heavily with cracked corn, mixing it with the concentrate to cut feed costs and increase efficiency.

"Efficiency and new, usable ideas are the keys to my operation, especially when prices go down," Engel says.

Engel and his wife, Vira Mae, handle all this farm work helped only by one man, a native of Denmark who has been with them three years. The Engels have two children, Rhonda, 12,

WINTER WORK . . . Engel clips and carries his herd of 40 Holsteins as part of Grade A milk marketing requirements. The

state winner was one of Buffalo County's first farmers to market Grade A milk. (Durley Studios)

and Kenneth, 8 months.

He has been interested in farming all his life. In addition to the poultry award in 1948, he was a 1951 delegate to the national 4-H Club Congress. He attended the University of Wisconsin Farm Short Course in 1949-50. His father attended the same school in 1910.

The state winner is a director of the Fountain City Co-op Creamery board, has served six years on the advisory board of Production Credit Association, is a member of Tri-State Breeders Co-op and Alma Farmers Union.

HE IS ACTIVE in 4-H leadership work. He is also a lifetime member of United Church of Christ and has served on the church council five years.

High school vocational agriculture was mostly a "book course" when he went to high school, Engel said. He graduated from Fountain City High School in 1948. Four-H work took up the agriculture training, and helped develop his interest in farming.

This interest has not slackened since he started farming, he said. "I try to make as much use as possible of the ideas and methods presented at adult agriculture classes and through the extension service. You never can tell when something can be picked out of these talks and taken back to the farm for good use."

Runners-up to Engel at the state contest were Harold Dehart, 33, Tomahawk, and Wayne Saxe, 34, Whitewater.

## 2 City Court Trials Slated

Two trials were scheduled, and a Winona youth paid a \$35 fine on a shoplifting charge after arraignments today in municipal court.

Earl Stuart, 50, 1130 Marian St., pleaded not guilty to a charge of failure to identify himself at the scene of a collision Jan. 21 with a car whose driver was on the scene. Judge John D. McGill set Stuart's trial for March 8 at 9:30 a.m. Stuart had already posted \$150 bond, which was continued in force by the judge.

Robert E. Schacherer Jr., 19, 1780 W. Wabasha St., pleaded guilty to a charge of shoplifting Saturday at 2:45 p.m. at the Tempo Store in Miracle Mall. He paid a \$35 fine as the alternative to 12 days in jail.

George J. Thilmany Jr., 21, 1725 W. Wabasha St., pleaded not guilty to a charge of walking through a red light at East 3rd and Lafayette streets Saturday at 3:37 p.m. He made arrangements to post the \$5 bond set by Judge McGill. Trial was scheduled for Feb. 24 at 11 a.m.

Highway patrolmen reported Koch lost control of his car while passing another vehicle on Highway 52 near Crystal. Koch's car left the highway and crashed into a tree.

SENIOR HIGH THEFT

Her son lost a red and black plaid jacket, a car and a pair of gloves from his locker at Winona Senior High School, Mrs. Alex L. Dublin, Glen Mary, reported to police this weekend. The articles were first missed Thursday noon, according to Police Chief James W. McCabe.

The government has budgeted \$1.7 billion for the 1966 Food for Peace program to make surplus agriculture products available to hungry persons throughout the world.

## Jefferson Bus Off Highway 52; Mabel Girl Hurt

MABEL, Minn. (Special) — Miss Judy Hover, 18, Mabel, apparently received minor injuries when the Jefferson bus in which she was riding slipped off Highway 52 between Chatfield and Rochester Saturday night and into a ditch.

One of four passengers, she was taken by ambulance to St. Mary's Hospital, Rochester, where she was treated and released.

Her mother, Mrs. Vivian Hover, went to Preston to meet the bus, which was due there at 11:30 p.m. She waited at the bus depot until 3 a.m., when her daughter called her from the hospital.

Slippery roads Saturday night were reported hazardous also in the Bratsberg and other areas.

## New Post Office Bids Asked At St. Charles

ST. CHARLES, Minn. — The Post Office Department, Washington, D.C., will advertise for bids Tuesday for construction of a new post office at St. Charles.

Bids will be opened March 18.

The preferred location is the general business district. The specifications call for 2,256 square feet of interior; 120 square feet of platform, and 2,500 square feet of parking.

The Post Office department will take a 5-year lease on the new building, with three 5-year options, according to announcement by Sen. Eugene J. McCarthy and Walter F. Mondale.

## Claims Wives Won't Work

By EARL WILSON  
NEW YORK — Comedian Jackie Mason, a bachelor, doubts if women are here to stay. (His opinions are strictly his own and not necessarily my wife's or mother-in-law's.)  
"Women," he says, making a gesture with his hand which Ed Sullivan could describe better, "Ugh! Today when a woman says 'I do,' that's the last thing she does. She gets married, not to start housekeeping and cooking, but to start eating out. If you say 'Let's eat at home,' she hires a cook. If I want to marry a person who can cook, I have to go to the Waldorf and marry the chef."

## Chicago Man Dead in Fire At Badger Lake

KOONTZ LAKE, Ind. (AP) — A Chicago businessman died early Saturday in a fire in the lakeside cottage here owned by his partner in a Chicago automobile agency. Another Chicago man was burned severely.  
A body identified as that of Emil Esposito, 42, was found in the burned cottage along with four five-gallon cans, three partially filled with gasoline, police said.  
Police said John Griffin, 31, was taken to Roseland Hospital in Chicago for treatment for severe burns on the hands and burns on the legs and face.

## 'Witch Hunt' Described to Toastmasters

The "Spark Plug" award for his humorous speech on "Rally 'Round the Flag, Boys" was presented to Robert Collins at a dinner meeting of members of Hiawatha Toastmasters and their wives Wednesday at Hotel Winona.

Collins took the group on an imaginary witch hunt involving a plot inspired by Communists to shatter organization of the club and showed the extremes to which such a hunt can take the hunter.

Other speakers for the evening were Frank Johnson, James Mullen and Robert Mathot.

Johnson discussed things that can go wrong on a hunting trip. Mullen considered the psychology of prejudice and Mathot spoke on modern conveniences as distractions.

Karl Grabner was general evaluator and Myron Siegel was table topics master. Duane Ringler planned and coordinated the speaking program.

## CANTON A HONOR ROLL

CANTON, Minn. (Special) — Canton High School students making the A honor roll the last quarter were: Luann Brenno, Susan Hegtvold, Linda Kimball, Robert Leistikow, Julie Miller, Debra Erickson, Sharon Casterton, Richard Ellis, Debra Martin, Merilee Martin, Teresa Nelson, Dale Barnes and Pamela Miller.

## Elba Creamery Shows Sales Gain

ELBA, Minn. — Patrons of Elba Cooperative Creamery Association received \$1,072,272 for 31,089,253 pounds of milk and cream produced and sold in 1965, it was reported at the association's annual meeting Feb. 5. Of the amount produced, nearly five million pounds was Grade A milk.

This was a sales gain of \$9,086 over 1964.  
Frank Brosig, Altura; Donald Balz, Minneka, and Henry Neuman, Altura, were re-elected to the board of directors.

Holdover directors are Gregory Kramer, St. Charles; Louis Heim, St. Charles; Benny Marshman, Plainview, and Henry Walters, Millville.  
William Gore, Anchor Serum Co., spoke about animal health. Other speakers were Cliff Markuson, Minnesota ADA; John Logan, St. Charles Condensing Co.; Arthur Anderson, Rochester Dairy Co-op, and Richard Beske, manager of the Elba Creamery.

An estimated \$455 million will be spent by the Department of Health, Education and Welfare in 1966 to combat and cure mental illness and retardation.

# SAVINGS COME FIRST WITH ME!

**Savings Come FIRST With a Lot of Smart Folks —**

More and more of our customers tell us they are "paying themselves FIRST" out of each paycheck . . . this is indeed a most intelligent way of making sure some of your check is saved each payday.

Even little folks can save a little each month. In no time you can get a lot of fashion or any of the good things you want . . . but the important thing is to GET STARTED and stay with your plan!

For the small fry we have a special CHILD-LIFT installed in front of one of the savings teller's windows. Just a touch of the button and the youngster is raised to counter level for important deposit transactions. Get your youngsters started with an educational saving program this week.

## THE FIRST NATIONAL BANK OF WINONA

MEMBER FEDERAL DEPOSIT INSURANCE CORPORATION

## Civil Defense Topic at Black Hammer

CALEDONIA, Minn. — Black Hammer Township, Houston County, will discuss civil defense and fire district organization at its annual meeting March 8 in connection with its annual election. Polls will be open from 10 a.m. to 5 p.m.

Olat Staven, clerk, and Thomas Moen, supervisor, whose terms expire, have no opposition as a result of the filings. The clerk's term is for two years and the supervisor, three years.

In Money Creek Township, three filed for one position as supervisor — D. C. Burfield, incumbent, Kenneth Campbell and Maurice Halliday. Emmett Frauenkron, incumbent clerk, has no opposition. The polls will be open from 9 a.m. to 5 p.m. at the Mason hall, Money Creek, with Burfield, Louis Feine and Willard Cordes as election officials.

IN LA CRESCENT Township, two have filed to succeed Elmer Veglahn, whose term will expire. The other candidates are Daniel Brooks and Greg Abnet. A supervisor will be elected for a 1-year term to succeed Robert Thessing, who resigned because of poor health. No one filed for a 2-year term as justice to fill a vacancy. Polls will be open from 1-6 p.m. at the new town hall on Pine Creek road. Election officials will be Cyril Mighall, chairman, Veglahn, Abnet and Roy Walters, clerk. No one filed for clerk.

The town meeting will be at 1 p.m.

Winnabago Township — No one filed for the 3-year supervisor term expiring. Frank Haar is incumbent. Walter Bencke filed for the 1-year unexpired term of W. H. Oitzman, who moved from the state. Dale

DEAR ABBY:

## 'Curious' Just Too Much So

By ABIGAIL VAN BUREN

DEAR ABBY: Recently, someone I know very well (I'll call her Vera), made a 6,000-mile round trip in order to be with her daughter when she gave birth to her first baby. Vera stayed ten days, leaving her own husband at home with a heart condition. He didn't want her to make the trip, but Vera convinced him that she had to go. Vera returned exhausted. I told her that she should have stayed home and sent her daughter the money to hire a competent helper. And later on, she could have made the trip with her husband to see the daughter and new grandchild. Vera insisted that her presence at the time of the child's birth was necessary and appreciated, and she had no choice but to go. What do you think? "CURIOUS"

DEAR CURIOUS: I would have to know about the husband's "heart condition." And how he really felt about Vera's making the trip. Also more about the relationship between Vera and her daughter and their respective financial situations. I would also have to know how accurate your reporting is, who YOU are, and why you are so "curious."

DEAR ABBY: I have a friend, a married woman, who has a collection of HUB CAPS you wouldn't believe. She said she "bought" some, and others were given to her, but I found out different. Last evening I saw this woman walk over to the curb, take a screwdriver out of her purse, and remove the hub caps from a parked car. What would you do in a case like this?

A FRIEND IN FAIRMONT, W. VA.

DEAR FRIEND: Your friend is a thief. Tell her what you know and urge her to stop "collecting" before she collects a jail sentence.

DEAR ABBY: I seldom saw my daughter studying, so I wasn't too surprised when she brought home a warning that she was failing in two subjects. Her teacher called and asked me to come to school for a private conference. I did, and this is what I learned:

My daughter had told the teacher she was failing in school because of her "home situation." She said her father and mother fight constantly about bills, and HIS drinking. Also that I sleep all day and she (the child) has to do all the cooking and housekeeping. Abby, I just don't know what to do about this because there is not one word of truth in it. My husband and I get along very well. I am a competent cook and housekeeper and neither my husband nor I drink. Why on earth would a child make up such wild tales? Can you help me?

DEAR FLABBERGASTED: Whether your daughter is just an imaginative storyteller or is psychologically disturbed is something you should look into. If her school provides a counseling service for "problem children," utilize it. If not, ask your family doctor or pediatrician for his recommendations.

CONFIDENTIAL TO C. W. F., ILL.: Every man must do his own growing, no matter who his grandfather was.

Problems: Write to Abby, Box 69700, Los Angeles, Calif. For a personal reply, enclose a stamped, self-addressed envelope.

Meiners filed to succeed himself as clerk. He is unopposed. No one filed for the 2-year term of justice.

The polls will be open from 10 a.m. to 5 p.m. at the Elitzen Community Center, Beneke, Haar, Meiners and Melvin Inglett will be election officials. The town meeting will be at 2 p.m. Jefferson Township — No one filed to succeed Gilman Meyer, clerk, and Arlie Kubitz, super-

visor, whose terms expire. The polls will open at 10 a.m. at the town hall and close at 5, with the township meeting at 1:30 p.m. Kubitz, Arthur Gran and Albert Hein will be the election officials.

Wilmington Township — Arnold L. Sanness, clerk, and Franklin Bunge, supervisor, filed to succeed themselves without opposition. No one filed for justice. Polls will be open in the town hall from 9 a.m. to 5 p.m. The clerk's report will be read at the township meeting at 1:30 p.m. Burnell Munkel, Arthur Burmester and Bunge will be election officials.

Spring Grove Township — No one filed in opposition to Harold Omdt, clerk, and Nels Gulbranson, supervisor. Polls will be open from 1-5 p.m. at the town hall and the annual meeting will be at 2 p.m. Election officials will be Gerhard Flatin, Clarence Jelson, Gulbranson and Omdt.

Mayville — Harold J. Leary, clerk, and Earl Murphy, supervisor, filed to succeed themselves without opposition. Polls will be open at the town hall from 9 a.m. to 5 p.m. The clerk's report will be read at 1:30 p.m.

Mound Prairie — No one filed against Philip Eberhard, clerk, and Donald Boldt, supervisor. Polls will be open at the town hall from 10 a.m. to 5 p.m. Arthur Wheaton, Samuel Winsky, Boldt and Eberhard will be election officials. The town meeting will be at 10 a.m.

## Eleva-Strum Sets Summer Program

ELEVA-STRUM, Wis. (Special) — Central High School, Eleva-Strum, will have a summer school program this year for the first time.

The 6-week course beginning June 13 and ending July 22 will be financed by federal funds under Title I of the Elementary and Secondary Education Act. It will cost in excess of \$10,000.

Providing enriched basic reading and mathematics in grades 1-12, its success, says George Heinemann, superintendent, will depend on the cooperation of parents.

An extended vacation is responsible for some students losing their ability to progress consistently with their capabilities when school begins again in the fall. Supt. Heinemann anticipates that summer school will eliminate this loss in some measure.

THE PROGRAM is designed to give help to students in current grade so they will be able to function better in the next grade the following term. Basic spelling, grammar and better reading techniques will be covered in the reading program. The basic function of modern mathematics will be reviewed. Reading and arithmetic are planned for grades 1-8 and reading in grades 9-12. Classes will be held at Strum and Eleva elementary schools and in the high school building, as in the initial program financed by federal funds.

Classes will be an hour long and tentatively will run from 9-11 a.m.

The maximum student load will be 205. About 17 adults will be involved — administration, guidance, teachers, nurse, secretary, and bus drivers. Federal money will furnish teaching salaries, teaching aids, equipment and transportation.

## Fire Destroys Litchfield House

LITCHFIELD, Minn. (AP) — Fire destroyed a home south of Litchfield Sunday and a fireman was hospitalized after a brick chimney fell on him.

The injured fireman was John DeSmith. He was taken to Meeker County hospital.

The home belonged to Mr. and Mrs. John Blaha. Firemen said the Blahs and their four

children were not at home when the fire started.

## HARMONY CLASSES

HARMONY, Minn. (Special) — Adult evening classes will be offered at Harmony High School if at least 10 register for each. Friday is the deadline for registering for modern mathematics, speed reading, typing, beginning and advanced knitting, family finances and budgets, foreign language, shop and sewing.

## Card Delivered After 60 Years

DALTON, Minn. (AP) — A postcard from her mother-in-law in England reached Mrs. Mary Gregory Friday — 60 years, 11 months and 11 days after it was mailed.

about a year ago. At the time the card was mailed, she was a young bride. Her mother-in-law, Mrs. Emma Hall Gregory of Taunton Somerset, England, wrote to express "Love to Mayme." "Mayme" was John Gregory's nickname for his wife. The postmark clearly showed: "Credition, England, Feb. 28, 1905." There was no explanation for the tardy mail delivery.

Come in and take on a tiger!

The only thing that looks low-priced on a Pontiac Tempest is its price sticker.

And that's removable.

Take it off, and there's just a pure, unabridged Pontiac: crisp, Wide-Track style and handling. A handsome interior. Plus the effervescent performance of a new, overhead cam 6 engine that puts out with all the spunk of an 8, yet saves like the traditional 6. And of course, being a Pontiac, Tempest allows you the luxury of choice—with options in engines, transmissions, suspensions.

practically everywhere. And like all Pontiacs, Tempest also has a standard safety package with items like seat belts to buckle-front and rear. (That ought to do for now. We'll tell you the rest when you get here.)

## 'Let's Be Prepared' For Possible Flood

SPRING FLOODS are in the news again and no one needs be reminded of the great effort Winona made last spring in protecting itself from the raging Mississippi.

A good part of the credit for last year's success went to the members of our local Civil Defense unit and they deserved it. Under the able leadership of George McGuire this group has functioned quietly behind the scenes over the past few years in training its members in survival techniques, locating and supplying shelters and generally preparing the city against the possibility of natural or atomic disaster.

Civil defense survival training director, Lewis Schoening, announced last week that the Winona unit with the help of the state and regional Civil Defense departments will conduct a four-week course in disaster preparedness beginning with a mass meeting at Somsen Hall of Winona State College Tuesday night.

MAYOR R. K. Ellings has proclaimed the week of Feb. 14 as "Let's Be Prepared" Week. We join with him in urging all Winonans 17 years or older to attend this important meeting and to register for the four training classes.

## Quie Praised By Eastern Newspapers

FEW CONGRESSMEN have received national recognition as frequently as has Minnesota's 1st District representative, Albert H. Quie. Seldom does a week pass but what he is lauded for some special service or performance in office.

Editorials in two leading newspapers in which Quie is praised for having broken the secrecy of the post office department and exposed improprieties of other congressmen, have come to our attention.

Rep. Quie has "performed a real public service by obtaining the names of the youths who worked in the Post Office Department summer program. It disclosed that many of the jobs did not go to youths in need, as President Johnson has intended," says the Washington Post. The editorial continues, in part:

"THE IMPROPRIETY of using these funds to pay off the friends and relatives of congressmen and senators is exceeded only by the cowardice responsible for the decision to conceal the names. The country ought to be alarmed by the power and the willingness of the government to throw the cloak of secrecy over the expenditure of public funds and the distribution of public offices."

The Wall Street Journal says "thanks to the diligence of a Republican congressman from Minnesota anybody now can find out the names of the needy youths who were hired by the post office last summer."

The Journal points out that Quie uncovered the fact many of the youths hired were not needy, that 3,380 of the 8,600 hired were recommended by congressmen, and some were children or relatives of congressmen. Quie's publication of all 8,600 names in the congressional record, says the newspaper, "not only revealed that the job program for the needy was a political grab bag but rendered service in demonstrating the futility of trying to cloak an inexcusable bungle in secrecy."

THOUGH A REPUBLICAN, Congressman Quie has often received warm praise from Democratic colleagues as from Republicans. He has become one of the most influential members of Congress, despite the fact he is a member of the minority party.

## Solid Economic Advances Noted

SOLID ADVANCES were registered by most 9th District economic indicators during 1965 as compared with 1964, the Federal Reserve Bank of Minneapolis reports in its monthly economic review.

Total nonagricultural employment achieved close to a 3 percent rate of growth, with joblessness at or near record lows. Spending, as measured by retail sales and bank debits, increased substantially.

Industrial production, estimated by the industrial use of electric power, averaged about 7 percent higher in the 9th Federal Reserve District than in 1964. Production of iron ore, copper and crude oil — all showed significant increases over the previous year, as did total district crop output.

THE ONLY MAJOR area of decline during the year was in the construction industry where total dollar valuation of construction contracts awarded through the first three quarters of 1965 showed a 19 percent decline from a similar period of 1964. Employment in construction work, however, through October was larger than in the like period in 1964.

The 9th Federal Reserve District consists of the states of Minnesota, Montana, North Dakota and South Dakota, as well as Upper Michigan and northwestern Wisconsin. This area contributes much to the production of military goods. The war in Viet Nam has already injected new jobs and new cash into the area, the bank said, and further expansion in defense contracts of many types is likely should the conflict be continued or expanded.

CREDIT EXPANSION at 9th District member banks continued strong through-

## TODAY IN WORLD AFFAIRS

# Long, Gruelling War in Viet Nam

By DAVID LAWRENCE

WASHINGTON — It looks like a long, gruelling war ahead in Viet Nam. All the talk about "escalation" or unlimited bombing or mobilizing a vast army of Americans to fight the war has been superseded by a planned determination to build up steadily the economic, and military strength of South Viet Nam, even if it takes years and years to do the job.

The chances are that no big battles will be fought and that no spectacular military measures will be taken, but that the United States will continue to exercise an increasing pressure that will eventually drive out the Communist guerrillas.

If on any occasion in the meantime the North Vietnamese government wishes to talk peace, the United States will be ready. But there will have to be some evidence from the enemy that there is a genuine desire to end the war.

President Johnson's trip to Hawaii was intended to strengthen the morale of the Vietnamese government and at the same time proclaim to the world America's intention to carry on the fight for the ideals that have been set forth again and again in the past.

THE DECLARATION of Honolulu is significant, not because any new principles are enunciated but because the purposes of the United States are defined in even more resolute terms than before. It says in part:

"The United States of America is joined with the people and government of Viet Nam to prevent aggression. This is the purpose of the determined effort of the American armed forces now engaged in Viet Nam. The United States seeks no bases. It seeks no colonial presence. It seeks to impose no alliance or alignment. It seeks only to prevent aggression, and its pledge to that purpose is firm. It aims simply to help a people and government who are determined to help themselves.

"The United States is pledged to the principles of the self-determination of peoples, and of government by the consent of the governed.

"JUST AS THE United States is pledged to play its full part in the worldwide attack upon hunger, ignorance, and disease, so in Viet Nam it will give special support to the work of the people of that country to build even while they fight."

## IN YEARS GONE BY

### Ten Years Ago . . . 1956

Three new directors of the Credit Bureau, Inc., were announced during its annual meeting at the Oaks and featured an address by George Grim, Minneapolis newspaperman. They are L. W. Bailey, James T. Schain and Dr. C. R. Kolofski.

Officers of the Gamehaven Area Boy Scout Foundation were re-elected as follows: Dr. E. H. Rynearson, Rochester, president; G. Slade Schuster, Rochester, first vice president; Philip Gartner, Preston, second vice president; and S. J. Kryzsko, Winona, treasurer.

### Twenty-Five Years Ago . . . 1941

Mrs. William Bright and Mrs. Carl G. Genes returned home from Chicago where they spent nearly a week. While there they attended "Du Barry Was a Lady," and "Blossom Time."

M. G. Olsen and Leonard Slaggie left for St. Petersburg and Miami, Fla. Mr. Slaggie will return in a couple weeks and Mr. Olsen will remain a month or longer.

### Fifty Years Ago . . . 1916

H. W. Seidlitz, William Werner, H. L. Miller and A. J. Van Deusen are in attendance at the big concrete and cement display being held in Chicago.

There is an upward tendency in lumber and coal prices.

Before the Parent-Teachers Association of the Madison School, W. J. Whipple, a veteran newspaperman and war correspondent, told of his recollections of the events preceding and during the Civil War.

### Seventy-Five Years Ago . . . 1891

B. A. Dunn has returned from a trip to New York.

The Sunday Morning Gazette of Trempealeau has been bought by a Mr. Morrison of La Crosse, who will publish a railroad employees' paper.

### One Hundred Years Ago . . . 1866

The long established banking firm of Webster & Lake has dissolved co-partnership. Mr. Lake, it appears, retires from the firm, the senior partner continuing to carry on the business.

out 1965 with most of the expansion occurring in loans rather than in investments. Loan demand toward the end of the year was particularly strong. Business loans in November at the larger weekly reporting member banks, for example, were up 27 percent from a year earlier. Over a recent 5-year period the increase in business loans has averaged only 7 percent.

Wherewithal shall a young man cleanse his way? By taking heed thereto according to thy Word.—Psalm 119:9.

## ON THE BEACH

## THE WASHINGTON MERRY-GO-ROUND

# Valachi Turns Pen Against Gang Buddies

By JACK ANDERSON

(Editor's Note: Drew Pearson's column today is written by his associate, Jack Anderson.)

WASHINGTON — This reporter has read a smuggled copy of informant Joe Valachi's controversial memoirs — 1,180 typewritten pages of rambling runyonesque — which presents a chilling picture of the savage and sordid underworld, its bizarre code and its gasty vengeance on those who break it.

A host of congressmen, judges, and other prominent citizens have brought pressure upon Attorney General Nicholas Katzenbach to stop publication of the manuscript, protesting that it might unfairly identify Italian-Americans with organized crime.

The gravel-voiced Valachi, formerly one of New York City's most feared gunmen who boasted to a cellmate that he had accounted for more than 200 murders, turned stool pigeon after he had been marked for death by the Cosa Nostra underworld society.

HAVING LEARNED to write while serving a stretch in Sing Sing, he has now scrawled out his life story in a crude, sprawling hand on yellow, lined paper. It has been typed by Justice Department secretaries exactly as he wrote it.

"I have no reason to lie," he writes. "I am telling you the truth or I will look bad and I ain't aiming to look bad."

Federal agents have verified the general truth of his revelations, which describe underworld rackets and gang killings as dispassionately as any jobholder might tell about his work. Here is how his strange saga begins:

"To begin with, I must say that I came from the poorest family on earth — at least that was the way I felt when I was a little boy. As a boy I went barefoot most of the time. Never did I receive anything at Christmas time. I believed in Santa Claus and hung my stocking up every Christmas, but never found an apple, all I would get on Christmas was being awakened and having my father

try to give me a glass of whiskey."

VALACHI continues with a heart-rending account of how he started his life of crime.

"One night when I was about eight years old," he recalls, "my brother and I were awakened about 1 o'clock in the morning. What woke us was my mother and father were having a fight. It was about a disappointment."

"At this time the rent was about seven dollars a month. My brother told me to dress up. He was three years older than I, so I dressed up and he took me on Park Avenue around 114th Street.

"By this time it was about 2:30 in the morning, so we broke into a store. I don't remember what kind of store but all I know we took two bags of fairy soap. At this time fairy soap was 5 cents a bar. We went from house to house and sold the soap for 2 bars for 5 cents. Well, I don't remember how much we made but I do remember it helped Pa pay one month's rent."

THREE YEARS later, Joe did his first stretch.

"When I was about 11 years old," he writes, "I went to the N.Y. Catholic protector for throwing a stone at the teacher. I didn't mean to hit her — I meant to scare her but I happened to hit her in the eye. I felt real bad about it so I went away for 2 years. I was released from the N.Y.C.P. and I went right back for another two years."

"Now I made up my mind to be a good boy. I started to keep what they brothers called a state of grace — meaning if a boy received his communion for nine months without going to confession that meant that the boy didn't do anything wrong in those 9 months."

"I must say that it was hard to keep but I kept it but I took plenty of abuse, in other words I was being pushed around whenever we were in the yard. They the boys will call anyone who tried to keep a state of grace a sissie."

## The Girls

"Did I tell you Henry's so hoarse he can't speak above a whisper?"

## LETTERS TO THE EDITOR

Thinks Open Debate  
On Viet Nam Hurts  
To the Editor:

I would like to comment on your editorial of Feb. 8, 1966. Sen. Fulbright and other senators who publicly expressed their demands that President Johnson not renew the bombing of North Viet Nam are doing great disservice to the President, the soldiers fighting in Viet Nam and the American people.

As responsible individuals and members of the Senate, their words will be heard in North Viet Nam with even more attention than those of self-appointed peace makers, be they university professors, clergy, idealists or immature students. Because they speak with some authority and therefore they will strengthen Ho Chi Minh in his belief that sooner or later the American people will get sick of struggle and quietly withdraw from Viet Nam to turn over the control of the country to the Communists or will negotiate under such conditions which cannot fail to assure a Communist takeover.

There are undoubtedly many aspects of the Viet Nam situation. We should realize also that there are limits beyond which the President cannot go. We remember from the fate of Czechoslovakia and other satellite countries that the recognition of Viet Cong would be merely a scarcely camouflaged notice that the triumph of Communism was inevitable, once a war of "liberation" was started in any country.

Some senators have been too deeply impressed by the recriminations of the USSR and China against each other and hope that Moscow will exercise a moderating influence in Asia, while the continuation of bombing will render this hope futile. But was it ever anything but wishful thinking?

Last year it was Premier Kosygin who paid a visit to Hanoi and promised full support of USSR. This year it is Shelepin, the number two man in the Communist hierarchy, who also promised some support. It is almost certain that the rocket to the air missiles have come from the USSR and are probably manned by the Russians.

What stability there is in the world has been provided with American assistance and help. In no case can America afford to turn any country over to the Communists. It happened in Europe in 1945 in the name of peace and friendship among the Allies with almost disastrous consequences — the case of satellites. It would be more disastrous to repeat the same performance today.

President Johnson is confronted with grave personal responsibility. The senators are supposed to advise him, but none of those can have as much information as that which is available to the executive.

It is then up to the senators who oppose him to make their voices known to him but not to blare it out to the press and in speeches around the country. These are reported to Viet Nam and other Communist countries and distorted create the belief that the American people are wearying of their belief in freedom and democracy and that the moment is near for the final triumph of Communism. That we should have sense to avoid because it hurts our cause.

Dr. N. J. Barabak  
St. Mary's College

Would Breach Railway  
To Ease Flood Pressure  
To the Editor:

In the light of the annual concern over possible April flooding being heard once more, a possible precautionary move might be to check into the practicality of arranging with the railroads for a deliberate breaching of their right-of-way across the river if such a move becomes necessary.

The accidental rupture of last year, happening as it did at a critical point during the high water period, released a good deal of pressure on Winona's flood

defenses, and certainly seemed to be a major factor in the success of those defenses.

No doubt there are arguments against this scheme. Financial consideration might have to be made by the city, but this should be recoverable. It may be an undesirable step to take in itself, but still the lesser of two evils. There may be legal questions involved.

But it should at least be worthwhile checking into. Repairing a few breaks in the railroad right-of-way — and a few planned breaks could possibly save still more washouts for the railroad itself — and the flooding of relatively open country should be more acceptable than allowing the River to encroach into Winona itself.

Dr. J. H. Foegen  
323 Elm Street

Asks Open Meeting  
On Buffalo Co. Project  
To the Editor:

What would be the social and economic impact of the proposed Buffalo Valley recreation project on the residents of Buffalo County? This is a question that should be discussed by all of us who make our homes here.

Proponents of the recreation development have flatly stated on numerous occasions that the plan would benefit everyone. I am unconvinced.

I think it would be helpful to all concerned to hear the advantages and disadvantages of this program presented at an open meeting in the near future. It would be my pleasure to point out some distinct negative features that could result for my community.

If Buffalo Valley Development Corporation will arrange a time and place for a discussion on this matter, and supply a local speaker to advance arguments favoring the project, I feel it will be making a vital contribution to the betterment of our knowledge of the goals of this local group, and the problems that could be created by its successful implementation.

Jack D. Drew, Mayor  
City of Buffalo City, Wis.

## To Your Good Health

# Answers To Your Questions

Dear Dr. Molner: I am a healthy woman of 21 but since about age 11 have noticed hairs around the nipples of my breasts. My husband says this is not normal and I should cut them off with scissors. Is this growing normal or is something wrong with my hormones? What would happen if I cut them off with scissors? Will there be a stubble regrowth? — MRS. S. W.

This is not "abnormal." It happens fairly frequently, although not, of course, to everybody. It doesn't mean a hormone problem. It's just a quirk of nature. Your husband is right: If the hairs annoy you, clip them off with scissors. They will grow again, but then clip them again. I would not advise pulling them (they'll still regrow) or using other hair-removers.

Dear Dr. Molner: Will using a transistor hearing device impair the hearing? — H. K.

No. All it does is make sounds louder, just like turning up the volume of a TV set. Sometimes, I know some people with hearing aids (whether with transistors or other kinds, but nearly all are transistor-type now) think hearing aids have harmed them. In such cases, the real story is that their hearing was going downhill anyway.

## THE WIZARD OF ID

**THE FANTASTICKS' REHEARSAL.** . . Drama students at St. Mary's College under the direction of Norman Delue enact an exciting scene from "The Fantasticks," which opens Thursday at the college auditorium. From left are David Gaskill, James Caron, Mark Smith, Elizabeth Caron

(from the College of Saint Teresa), David Nigon, Frederick Kauphuszman, Greg Gaut and Louis Coloia. The play, which is a modern twist of the age-old tale of young love, will run through Sunday and again Feb. 25-27. Curtain time is 8 p.m. (Daily News photo)

## 300 at Charter Banquet for Caledonia Lions

CALEDONIA, Minn. — About 300 attended the new Lions Club charter night at St. Mary's School auditorium here Saturday night.

The charter was presented to the president, Bruce Bawdler, by Hal Norgard of North St. Paul, district governor of District 5M-1.

Other officers are: John Carlson, first vice president; O. J. Strand, second vice president; the Rev. T. A. Derezinski, third vice president; Russell Kreech, secretary; Robert Zimmerman, treasurer; Donald Schroeder, Lion tamer; Neal Feuerhelm, tall twister, and William Weiland, Henry Bixrud, Leonard Gengler and Theodore Ranzenberg, directors.

There are 52 charter members in the new club, which was sponsored by Winona Lions.

Victor Bohnen, Winona club president, opened the meeting following a dinner served by a church guild. Roy Schuette, Rochester, deputy district governor, was toastmaster. Norbert Schmidt, North St. Paul, advisory and extension chairman of District 5M-1, was guest speaker.

A social hour was held at the Crest Supper Club. Lions were here from Albert Lea, Kenyon, La Crosse, Lewiston, Goodview, Rushford, St. Charles and Harmony besides about 20 from Winona.

The Winona club, also sponsoring a Lions group at HOUSTON, has arranged for charter night there March 12.

## Sauer Auxiliary Sets Card Party

Sauer Memorial Home Auxiliary is sponsoring a card party Tuesday at 8 p.m. at the YWCA. All types of cards will be played and prizes awarded. Special prizes also will be awarded. Lunch will be served. Mrs. Frieda Bublitz is general chairman.

Tickets may be purchased at the door and from auxiliary members. Proceeds will go toward the furnishings of the Home.

### CORRECTION

The name of Susan De Lano, who plays flute in the second band, was inadvertently left out of the list of students in Sunday's News story on the four-band concert. The event, open to the public free of charge, will be held at 7:30 p.m. today in Winona Senior High School Auditorium.

**BEILKE OPEN HOUSE**  
Mr. and Mrs. Elmer F. Beilke, 207 6th St. NW, Rochester, will celebrate their 40th wedding anniversary Sunday with an open house from 2 to 5 p.m. at the People's Cooperative Power Association Community Room, 1802 N. Broadway, Rochester. Hosts will be their children. No cards have been sent.

**CIRCLE D**  
Circle D of St. Martin's Lutheran Church will meet at 8:30 p.m. Tuesday at the home of Miss Olga Stever, 356 1/2 E. Howard St.

## Farm Bureau Women Meet In Caledonia

CALEDONIA, Minn. (Special) — The Farm Bureau Women's Committee met in the Town Crier Room of Caledonia State Bank on Tuesday afternoon. The thought for the day, which was a devotional on the meaning of the seal and designs on the dollar bill, was given by Mrs. Chester Nelson. Roll call was answered by giving a favorite recipe.

A discussion was held on the Women's Committee workshop, which is being held in the People's Co-op Power Building in Rochester, Feb. 28, beginning with coffee at 9 a.m. A chartered bus will leave Caledonia at 7:15 a.m. and Spring Grove at 7:30 a.m.

A silk flag will be given as a door prize at the April meeting of the Women's Committee. The group was informed of the need for stamps books or donation certificates toward purchase of a new bus for Cambridge State School and Hospital. They may be mailed directly to the school or to the Houston County ARC.

Naomi Fruichte, County Extension home agent, gave a presentation on "Mealtime Can Be Magic" and also showed color slides.

Before the social hour each one who had brought handwork or a sample of her hobby explained the project. Nora Aronson showed a collection of plates which she receives each year from a pen pal in Denmark and which are collector's items. Mrs. Alvie Lind brought a collection of spoons obtained on a trip to Norway last summer and also jewelry. There were numerous articles on display, such as an afghan, dolls, spoon collection, covered coat hangers and aprons.

## Community Arts Club, Durand, To Stage Play

DURAND, Wis. (Special) — Casting for another Community Arts Club stage production was completed.

Roles in "Blithe Spirit" by Noel Coward have been given to Mr. and Mrs. David Gilstad, Judy Bauer, Mary Ormson, Cal Holland, Trudy Bauer and Ellen Adler. Rehearsals are now in progress at the Kenneth Pomast home. Special groups are working on scenery, etc.

Duane John, director, announces that the play will be presented Feb. 24 and 26 in the City Auditorium.

**THE ENGAGEMENT** of Miss Joan Nyseth to John Kierlin, son of Thomas Kierlin, 313 Lafayette St., and the late Mrs. Kierlin, is announced by her parents, Mr. and Mrs. Donald Nyseth, 626 Lafayette St. A fall wedding is planned. Miss Nyseth is employed at Hotel Winona and her fiancé is a parts salesman at the B and K Auto Supply. (Alf Photography)

## Texas Minnesotans Elect Picnic Heads

MC ALLEN, Tex. — New officers of the Minnesota Winter Picnic Association of the Lower Rio Grande Valley of Texas have been announced. Richard Kunal, Fairmont, Minn., is president; J. M. Vollath, Eskine, Minn., vice president, and William Freeman, Dexter, Minn., secretary.

The Minnesotans voted to hold their 1967 picnic Feb. 1 at the Mc Allen Civic Center, because the crowd of 847 persons attending this year's basket dinner overflowed a Mc Allen church gymnasium. A program emceed by Loren Baldrige, Cleveland, Minn., followed the dinner.

## Extra-Curricular Activities Topic For Lewiston PTA

LEWISTON, Minn. (Special) — Lewiston PTA will meet at 8 p.m. Thursday in the school auditorium. "Extra-Curricular Activities" will be the program topic with Principal Robert Riege and Robert Schuh in charge of the discussion.

A panel of students from the Student Council will present a survey made by the class of Journalism.

### SCHLOSSOWS' 25TH

DAKOTA, Minn. — Mr. and Mrs. Norman Schlossow will celebrate their 25th wedding anniversary Sunday at an open house from 2 to 4 p.m. at Ridge-way School. No invitations have been sent.

### WRC CARD PARTY

Woman's Relief Corps, John Ball Post 6, will have a public card party Feb. 24 at 2 p.m. at the Labor Temple. This will take the place of their regular meeting.

### LADIES AID MINNESOTA CITY, Minn.

Lutheran Ladies Aid will meet at 1:30 p.m. Thursday in the church basement. Mrs. Arthur Pearson and Mrs. Alvin Nuthak will be hostesses and invite visitors.

### SILENT AUCTION

LEWISTON, Minn. (Special) — Sunshine Chapter 207, Order of Eastern Star, will hold a silent auction Feb. 22 at 8 p.m. in the lodge room. In conjunction with the chapter's annual Friendship Night, Homemade baking, sewing and other articles will be for sale under the direction of the officers.

## O'Neill-Carhart Wedding Vows Said at Simpson

GALESVILLE, Wis. (Special) — Miss Susan Jane Carhart, daughter of Mr. and Mrs. Kenneth Carhart, and Daniel Edward O'Neill, son of Mr. and Mrs. James P. O'Neill, Rochester, were married Feb. 12 at St. Bridget's Catholic Church, Simpson, Minn. The Rev. Lawrence C. Gavin performed the ceremony.

**THE COUPLE** was attended by Miss Lesley Bender and Thomas O'Neill, Rochester.

The bride wore a two-piece, street-length frock by ivory brocade, with matching pillbox hat and short veil. She carried a nosegay of white chrysanthemums and red roses, and a handkerchief carried by her paternal great-grandmother on her wedding day.

Miss Bender was in a two-piece pink wool knit dress. Her nosegay was of pink-tipped white chrysanthemums.

Dinner was served to the immediate family at the Town House cafe, Rochester. A reception was held in the afternoon in the church parlors at Simpson.

The wedding cake was served by the groom's sister, Mrs. Charles Vale, Minneapolis. Misses Lucinda and Karen Gibbs, Rochester, poured. Guests were registered by Miss Anita Carhart and gifts were opened by the groom's sister, Miss Kay O'Neill, Minneapolis.

Mr. and Mrs. O'Neill will reside in Rochester where he is employed and also attends college. Mrs. O'Neill is a medical secretary at the Mayo Clinic.

**CIRCLE D**  
Circle D of St. Martin's Lutheran Church will meet at 8:30 p.m. Tuesday at the home of Miss Olga Stever, 356 1/2 E. Howard St.

## Senior Citizens To See Stained Glass Windows

A tour of the church to view the new stained glass windows will be a highlight of the program planned by Mrs. R. H. Watkins and her committee when the Central Methodist Women's Society of Christian Service entertains the Senior Citizens Friendship Four and Golden Years Clubs Friday afternoon. The party will begin at 2 p.m. at the Guildhall.

There will be group singing and Dr. Melvin Wedul will show slides he took on a trip to Norway. Prizes will be given and lunch will be served.

Mrs. Watkins said that those who have difficulty climbing steps may use the ramp entrance on the north side of the church, just off the parking lot. Assisting Mrs. Watkins will be the Mmes. R. H. Mourning, R. B. Price, P. Earl Schwab, M. H. Doner, Ray Gorsuch and Thomas Goetz.

## Miss Viva Tansey Talks on Trip To Wesleyans

Miss Viva Tansey talked on her European trip and showed color slides at the Thursday evening supper meeting of the Wesleyan Service Guild at Central Methodist Church.

Miss Tansey told of attending a lecture at Oxford University in England, mainly on the subject of religion and the churches of England. She discussed the educational system in England, where she said, religion is taught in the schools.

She described a bus trip to East Berlin, Germany, as an "eccentric" experience. Other points of interest she visited were Vienna, Warsaw and Moscow. She said the Czech train which the tourists took to Warsaw had a steam engine.

Mrs. James L. Browning, Miss Helen Robb and Miss Kathryn Sheehan were on the committee in charge of devotions.

### HONOR STUDENTS HONORED . . .

Freshmen and sophomore students at Winona State College who were on the fall quarter honor roll were given recognition at the annual scholarship tea Thursday afternoon at Krysko Commons on campus. From left, standing, are Miss Joyce Johnson, Minneapolis; James Meyer, Wabasha, Minn., both hon-

or students, Miss Roberta Ives, Lake City, and Mrs. M. L. Mariner. Pouring is Miss Ardis Von Fischer. The event is sponsored by Gamma Tau Chapter of Kappa Delta Pi. The chapter has delegated Bergie Lang to attend the national convention of the honorary educational professional society at Houston, Tex., Feb. 26-28. (Daily News photo)

## Bomb Threat Returns Plane

SEATTLE (AP) — A United Air Lines jet bound for Chicago and New York returned here and landed 33 minutes after takeoff Sunday afternoon after the airline received a telephoned bomb threat.

Although no bomb was found, the 85 passengers were put on a later flight when it was discovered that the plane's tail section was smoking.

Airline officials said it was probably an electrical fire and a coincidence.

## Car Through Ice On Lake Onalaska

LA CROSSE, Wis. (AP) — When an ice fisherman's car crashed through the thin ice on nearby Lake Onalaska Saturday, a tow truck was called to try to pull it out.

The car has company now.

## Lewiston to Consider AFS Exchange Plan

LEWISTON, Minn. — Lewiston wants a foreign exchange student when its new junior-senior high school opens in the fall.

A meeting to promote the AFS program will be held at the village hall here Tuesday at 8 p.m. Groups and individuals in the community have been invited to attend. Mrs. J. B. McBean, Rochester, area representative of the AFS program, will be there to explain it.

### DOVER HOMEMAKER

EYOTA, Minn. (Special) — Donna Frick, daughter of Mr. and Mrs. Donald Frick, Dover, Minn., scored highest in a written test taken by senior girls and became Dover-Eyota High School's Homemaker of Tomorrow. Donna, who plans to become an industrial chemist, is

president of the National Honor Society, a member of the band, and co-editor of the school annual.

# Readers of This Newspaper Can Play "Bingo" At Home

# \$850 CASH PRIZES

"Bingo" Bugs Like This

Can Win You

**\$50 CASH EACH WEEK**  
FOR 17 WEEKS

SPONSORS ARE NOW DISTRIBUTING  
FIRST WEEK BINGO CARDS.

GET BLUE CARDS NOW!

Directions For Playing  
"Newspaper Bingo"

**PICK UP FREE BINGO CARDS:** Each week (Adults only, please) pick up your Free Bingo Cards from the sponsoring merchants listed below. Rules of the game allow the merchants to give you only one card on each store visit. You may, however, make as many visits as you wish each day of the week. **THE MORE CARDS YOU PLAY THE BETTER YOUR CHANCES ARE TO WIN.**

**HOW TO PLAY:** To play, check the ads in EACH issue of The Winona Daily & Sunday News. The ads of the sponsors listed below will contain one or more "Newspaper Bingo" numbers in the "Bingo Bug" symbol (shown above). Occasionally numbers in the "Bingo Bug" symbol may be found elsewhere in the paper. Check the classified ads for additional numbers. **IF YOU CAN MATCH (JUST CIRCLE OR "X" THE MATCHING NUMBERS) ALL 24 NUMBERS ON ONE OF YOUR BINGO CARDS WITH THE TOTAL OF THE NUMBERS PUBLISHED IN ALL THE ISSUES OF THE WINONA DAILY & SUNDAY NEWS, EACH WEEK — YOU HAVE A "BINGO" — AND YOU ARE A WINNER!!**

**AT LEAST \$50 WEEKLY!!** Winners will share a weekly cash prize of \$50. If there is only one winner, he wins all of the \$50. If there is more than one winner, all winners will share the \$50 equally. If there are no winners any week, the \$50 weekly prize money will be added to the following week's prize fund.

**CHECK EACH ISSUE OF THE PAPER:** A new game will start each Sunday and be completed the following Friday. Be sure to check each day's issue because some of the numbers may appear in each day's issue. All numbers needed to complete each week's game will have appeared by each Friday's issue. A new set of Bingo numbers will be published for each week's game. A new color of Bingo cards will be available each week at the sponsor's stores. To be eligible to win, you must play Bingo cards of the correct color for that week's game. The color of the cards for each week's game will be announced each week on this page.

**IF YOU ARE A WINNER:** If you have a winning Bingo card, on which all 24 numbers have been matched with the total of the numbers published during the week in The Daily & Sunday News, write your name, address, phone number, and the name of the store where you got your winning card on the back of your card and mail to: Winona Daily & Sunday News. (The envelope containing your card must be received by 3:00 p.m. Monday of the following week) or bring your card to the office of this newspaper at 407 Franklin, by 3:00 p.m. Monday of the following week.

#### RULES OF THE GAME

**NO OBLIGATION OR PURCHASE NECESSARY:** There is no obligation or purchase necessary. A copy of the paper is available for playing the game at the office of this newspaper — also at the public library. You may play as many cards as you wish — they are free. Get as many cards as you wish — one at a time — from the friendly sponsors listed below. (Adults only, please).

**DIFFERENT COLOR OF CARDS EACH WEEK:** The color of the cards changes each week. To be a winner, you must play cards of the correct color for that week. Multicolored or altered cards will not be honored. **ALL 24 NUMBERS MUST BE MATCHED TO WIN.**

**CHANCE DETERMINES NUMBERS:** The Bingo numbers for each week's game are drawn from a revolving Bingo number dispensing cage at the office of this newspaper. Some duplication of Bingo numbers may occur in sponsor's ads. This duplication does not affect the total of the numbers drawn or the game. All numbers drawn will appear in the sponsor's ads, also possibly elsewhere in the newspaper, for each week's game. Employees of The Winona Daily & Sunday News and their families are not eligible to win any of the cash prizes.

# 1948 Ideas Won't Work Now, Schlesinger Says of Viet Nam

It is a "dangerous illusion to mistake rhetoric for policy" in foreign affairs, historian Arthur M. Schlesinger Jr. told a Winona State College audience Saturday night.

And the former presidential special assistant proceeded to apply this general principle to the specific situation in Viet Nam, where he advocated a negotiated withdrawal with honor.

SCHLESINGER warned his more than 800 hearers not to describe the world situation of 1966 in the language of 1948.

In 1948, it was a simpler world to describe, Schlesinger noted. There was "the world Communist conspiracy" on one hand, directed from Moscow. On the other hand, there was the "free world," expected to shape itself on the United States model.

Schlesinger noted that we degraded that model even in 1948 by accepting as part of the free world "Franco's Spain, Batista's Cuba and, indeed, Eastland's Mississippi."

But the bi-polar world is crumbling away, Schlesinger maintained. Russia has had to accept the Yugoslav "heresy" on Yugoslav terms; and it now finds the Communist camp in a turmoil of confusion, even including a civil war fomented by China against its own rule.

THE UNITED States, mean-

time, has seen Western Europe revive its independence both economically and politically. We even have our Western counterpart of Mao Tse-tung in General De Gaulle, Schlesinger said.

In between the two former "worlds" has emerged the "Third World," a vast area in both population and area which has no stake in the Cold War and so has preferred to remain neutral.

The world of 1948 was a world dominated by ideology, but national interest will always assert itself in the long run, the historian noted.

We see the assertion of national interest over Communist ideology today in Russia, Schlesinger said, where failure of the Communist vision of inevitable triumph for communism has been "a tremendous blow to morale."

RUSSIAN communism now turns more and more to building a good life for its own people, even adopting capitalistic practices in its economy; and it shuns confrontation with the United States which could destroy hard-won economic gains. The underdeveloped world is communism's last hope, only there does the old faith burn brightly, according to Schlesinger. The revolutionary stirrings of underdeveloped peoples offer communism its final opportunity for revolutionary triumph.

And while the United States and Russia are united in their desire to avoid a showdown, to limit nuclear testing, to prevent the spread of nuclear weapons and to block Chinese expansionism, China itself is unaffected by the moderating influences which have brought about this United States-Russia detente, according to Schlesinger.

China's deep hostility for the developed world is real and a threat to peace, the former presidential assistant said.

THREATS TO peace in our own country are the twin illusions of the United States' god-like wisdom and god-like power which were only partially discarded under President Kennedy, Schlesinger said.

There are still many Americans who believe that America has the answer to any world problem which may arise and that our nation has the power to enforce application of that answer if we desire to, the historian said.

These illusions are getting a workout today in Viet Nam, Schlesinger said.

"We created a vital national interest where none had previously existed" in Viet Nam, Schlesinger said. We laid our prestige on a line — the 17th Parallel — in that country, and now it is our national prestige

## Modern Math — No. 6

### Classification Of Numbers

By Prof. W. F. LLOYD  
University of Tampa

Extremely primitive man had no need for numbers. All he cared about was to be warm and dry and well fed. But this carefree state of affairs could not last forever.

The caveman wanted to brag about how many spears he owned, how many wives looked on him as master and how much he had won in gambling. To boast he had to have numbers. The first numbers invented were the Counting Numbers, or to use a more erudite name, Natural Numbers. These are the whole numbers 1, 2, 3, 4, . . . . Notice, no zero. Zero came later. (Anyway, nobody brags about having zero spears.)

Of course the symbols or names (numerals) he used were far different from those used today, but the number idea was born. Then came the struggle to perform operations with these numbers.

The demands of expanding commerce and trade found the natural numbers inadequate and forced the development of fractions. The ancient Egyptians and the Romans had fractions, but they were clumsy to use. Many advances in mathematics were brought about by the businessman.

THE RULING class and the church did not, in general, look with favor on these newfangled inventions. The medieval baron

not mean same or reasonable but means rational.

It is intended to mean the set of all numbers that can be expressed as the ratio or quotient of two integers. Rational numbers are also defined as those numbers that can be expressed as repeating decimals. (Repeating decimals are those decimals where some digit or group of digits repeats endlessly.) Some examples of rational numbers and their repeating decimal equivalents:  $7 = 7.000000\ldots$ ,  $\frac{1}{2} = .50000000\ldots$ ,  $\frac{1}{3} = .33333333\ldots$ ,  $1/7 = .142857142857\ldots$

IN CONTRAST to the set of Rational Numbers we have the set of Irrational Numbers. These are the numbers that cannot be expressed as the quotient of two integers. They are the non-repeating decimals.

The Irrational Numbers are not as familiar to the average person, but there is an infinite number of them. The most widely used irrational number is pi, which is used in finding the area and circumference of a circle. Pi has been computed to several thousand decimal places but never do groups of digits repeat regularly.

The most common form of Irrational Number is the surd or root. The square root or the cube root of 2, 3, 5, 6, etc., is irrational.

The set of Rationals and the set of Irrationals together, form the set of Real Numbers. The Real Numbers can all be represented physically. That is, 5 silver dollars,  $\frac{1}{2}$  a watermelon, a line that is (square root) 31 inches long.

Distinct from the set of Real Numbers is the set of Imaginary Numbers. This is an unfortunate name because they are not fairy tale numbers nor mere flights of fancy, but good usable numbers that cannot be represented physically. Imaginary numbers are even roots of negative numbers. (The square root of -4 is factored into the square root of 4 times the square root of -1. 2 is the square root of 4 and i is the symbol used to represent the square root of -1.)

In electronics and advanced mathematics, Imaginary Numbers play an important role.

### Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain—without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were

no thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Hilo-Dyne®)—discovery of a world-famous research institute.

This substance is now available in suppository or ointment form under the name Preparation 119. At all drug counters.

## Winona Co. ARC To Hear Grade School Director

Dr. Carroll Hopt, director of elementary education at Lincoln School, will discuss the field of special education when the Winona County Association for Retarded Children meets Wednesday at 8 p.m. in the Red Cross headquarters, Huff and West 5th streets.

February is membership month. Members are reminded that dues for the coming year are now payable. The public has been invited.

## Leather Working Demonstration Set

A demonstration in decorative leather working will be given Tuesday at 7:30 p.m. at Lake Park Lodge, according to the park - recreation department, sponsor of the event.

Stanley Miles, Minneapolis, will show examples of the art and round out the talk with films. Miles is affiliated with a Minneapolis leather crafting firm.

Both adults and youngsters, beginners and advanced hobbyists, are invited. There is no admission charge, the department announced.

## ETTRICK PATIENT

ETTRICK, Wis. (Special)—Miss Margaret Harmon had major surgery at a La Crosse hospital Thursday.

## Pepin Co. Board Discussing

DURAND, Wis. — The Pepin County Board of Supervisors will meet again tonight to complete its February session.

On the agenda will be consideration of alternative offers by the Arkansaw school to construct and rent to the county a building to be used for the annual 4-H fair.

STILL ANOTHER proposition may be offered by the school for a building to replace the tent where the fair heretofore has been held.

The first proposition was to construct a building 40 by 96 feet which the school would rent to the county at \$600 a year over a 10-year period. The school would store fair equipment in an area 8 by 24 feet and use the remainder as a garage. When the board met Tuesday and Wednesday proposals were for construction of a building 40 by 144 feet which the school would rent to the county at \$1,000 a year over a 10-year period or \$800 a year for 20 years. Except for the period of the fair the school would use the building for garage and other purposes.

THE BOARD last week tabled a resolution to change from the unit system of relief and place it under public welfare department administration.

Members discussed a state law which prohibits the county highway department from performing work for individuals unless the request comes through a local municipality so

tops of the hills along the route. He noted the resurfacing from Stockholm to Maiden Rock, completed last year, and rebuilding or resurfacing, where necessary, from Nelson south to the Y at Winona in the last two years. This year, 3.94 miles between Pepin and Stockholm will be resurfaced, his report said.

IN OTHER business the board passed a resolution authorizing the county nurse, Mrs. Lois Von Holtum, to establish a home nursing care program beginning July 1. Fees will be charged. The board anticipates Medicare or private funds will cover the costs.

A resolution to withdraw funds used for the payment of bounties on gophers was defeated. The county has the use of a gopher baiting machine at a nominal charge to landowners from the county soil and water conservation district. The county furnishes poison bait to landowners and operators.

County Clerk Martin H. Pittman reported \$602.28 in fees and sale of office supplies, plat books, maps and other items during 1965.

MRS. EMMA Langlois, register of deeds, reported 1965 revenues of \$3,965 in fees, turned over to the county treasurer. Documents recorded or filed included 1,005 on real estate, 2,007 chattels, 478 births, marriages and deaths, 15 veterans discharges, 29 old age assistance liens and releases, and 10 federal tax liens and releases.

The report of Guy H. Miller, treasurer, showed 1965 receipts of \$1,052,124; disbursements of \$1,087,512, and \$57,070 cash on hand Jan. 1 deposited in Security National Bank, Durand, and American Bank of Alma, Pepin.

# Your best get-well card!

This year, 1 out of every 7 people will become a hospital patient. Almost 750,000 U.S. families will face hospital and medical bills equal to more than half their annual income!

Prudential's new 1966 health insurance plans will (1) help you meet the high cost of normal hospital and surgical care, (2) help offset the heavy medical and other expenses of serious sickness or injury, (3) help pay your every-day living expenses while you are unable to work because of sickness or injury.

These plans can provide higher amounts than ever before on hospital room and board charges, more liberal benefits for medical care in and out of the hospital and for Convalescent Nursing Home care.

Ask a Prudential agent to explain how these new health plans can protect you and your family—and your budget!

# Informal Room for Adults Features Split

By ANDY LANG

The well-designed interior layout in this week's split level is wrapped in an attractive package. Architect Herman H. York has made liberal use of stone in a random pattern, combining it tastefully with rough-sawn beveled siding and vertical boards.

Even the landscaping has been well-planned. The stone planter in front of the living room window adds a horizontal line to this area, tying in the stone panel in the front with the chimney at the side. Too often large bushes obscure pleasing stone effects when low shrubs might have been used with great success.

The double door entry, under the large covered portico, has clear glass above it, not only pleasing to the eye but helping to provide natural light for the central foyer. To the left of this slate-floored foyer is a long living room with a fireplace at the other end. Straight ahead from the foyer is what ordinarily might be called a family room, but which architect York has referred to in the floor plan as the "adults informal room." That's because there is a children's playroom on the lower level, just a few steps below. This adults' room has a fireplace and sliding glass doors leading to a rear dining terrace with a slate top.

Between the adults' room and the dining room is a kitchen more than 20 ft. long. In addition to all the modern appliances, with an especially large amount of counter space, the kitchen has a semi-circular dinette area with glazed bow windows providing a 180-degree

TRIM SPLIT . . . Architect Herman H. York has given this split level a little extra in the way of exterior design. The

Careful use of stone provides a luxury touch that blends well with the combination of beveled siding and vertical boards.

view of the rear garden. The lady of the house will appreciate the pantry and its convenient location next to the built-in oven.

At the top of the short stairway from the main foyer is a wood-paneled hall leading directly to three bedrooms. The master bedroom suite is something extra special. It is 17 ft. long, with sliding glass doors opening to a sun deck. There is a spacious closet within the room itself and two others, one a walk-in closet, just inside a dressing alcove that precedes the entrance to the private bath. A luminous ceiling, vanity and stall shower are all within this complex.

Each of the other bedrooms has a large closet, one of the walk-in type. And there are two more closets off the bedroom hall, one for linens and one for a vacuum cleaner. The second bath has a double lavatory. Add this bedroom area to that comprising the rooms previously mentioned and there are 2,019 square feet of habitable space.

The big plus that comes with a split level is the extra area on the lower or garage level. In addition to the two-car garage and its large storage section, there are a children's playroom,

## G-23 STATISTICS

Design G-23 has a living room, dining room, kitchen and dinette, adults' informal room, foyer, covered portico and dining terrace on the entrance level, with three bedrooms, two baths and a sun deck on the upper level, adding up to 2,019 square feet of habitable area. On the lower level are two rooms — a children's play room and a den — a two-car garage and a play terrace, with the living area of this section 450 square feet. The over-all dimensions are 60 ft. by 47 ft.

a den (or 4th bedroom, if desired), a laundry and a lavatory. To the rear of the playroom is a door to a play terrace, part of which is covered by the sun deck from the master bedroom. Steps from the play terrace lead up to the dining terrace off the adults' room.

While there is a full cellar below the living-dining-kitchen area, it is not likely to require finishing unless there is a definite need for more space. That's because this house, although built within over-all dimensions of 60 by 47 ft., provides everything needed in the way of living and storage facilities.

## Nixon Predicts Republican Gains

WASHINGTON (AP) — The Republican party will gain in this year's elections, says Richard M. Nixon, because of the power struggle now going on in the Democratic party between Sen. Robert F. Kennedy and Vice President Hubert H. Humphrey.

Nixon, 1960 GOP presidential candidate, told a news conference Thursday Republicans will gain 40 seats in the House. The party also has a good chance of winning five or six more governorships, Nixon predicted, along with gaining 500 to 600 seats in state legislatures.

Besides the power struggle between Kennedy and Humphrey, Nixon said, the war in Viet Nam is dividing Democrats.

**SON ELECTED**  
Frederick K. Lacher, son of Mr. and Mrs. G. L. Lacher, 612 Lake St., Winona, has been elected president of the Akron Area Chamber of Commerce, which serves the city of Akron, Ohio, and surrounding territory. Mr. Lacher is vice president and secretary of NRM Corp., Akron, leading producer of rubber and plastic manufacturing machinery. His two brothers, Halvor and Henry Lacher, are farmers in Winona County.

## Permit for Apartments Issued Here

Winona last week enjoyed its biggest week of the year in new building permit volume with permits issued at the city engineer's office for three projects with a total estimated cost of nearly \$300,000.

The largest of the three went to Chudnow Construction Company, Inc., Milwaukee, Wis., for construction of a \$280,000 apartment building at 386 E. Samia St.

The new 40-unit apartment building will be erected on a site between Bretlow Funeral Home and Home Furniture Store.

It will be 304 by 43 feet and of two-story construction.

**THERN Manufacturing Co.**, 5712 Industrial Park Rd., drew a permit for construction of a 20- by 20-foot addition to its plant in the Airport Industrial Park.

The one-story addition will be used as a paint booth. P. Earl Schwab is the contractor.

Paul Watkins Memorial Methodist Home, 175 E. Wabasha St., received a permit for a \$12,000 remodeling project.

The work to be done by Schwab will involve conversion of the third floor of Florence Hall from residential to nursing use.

The year's total of new construction permits and alterations for which permits have been drawn now amounts to \$317,100, compared with \$510,770 at the same date a year ago.

There has been one new house permit taken. There had been no permits issued for new house construction a year ago.

**Let's Get Growing**

By A. F. SHIRA

**Let's Look At Roses**

HAVING taken up the All-American glads as well as some of the other flowers in previous articles, suppose we look at the roses that won honors in 1966.

Like other All-America award winning flowers and vegetables, the roses must go through critical examination by numbers only in the test gardens throughout the country under greatly different climatic and soil conditions. The roses that receive the coveted awards, which usually number two to three varieties, are then chosen by the judges as the All-America roses for the year.

Three roses, two hybrid teas and one floribunda, were so honored in 1966. The hybrid teas are American Heritage and Matterhorn, and the floribunda is Apricot Nectar.

American Heritage is probably one of the most intriguing roses of recent development. This rose is a changing blend of colors, primarily ivory-yellow, but charmingly tinted with scarlet and crimson. As the flower unfolds, the crimson on the edges of the petals gives it an air of elegance equaled by few roses.

The buds are long and tapered and open into full, high-centered blooms. Since the petals, numbering 50 to 60, remain upright, they tend to cover the center of the flower when fully open. The leaves are large, semi-glossy and leathery with a red tint that is truly most attractive. The plants reach a height of about 4 feet, are vigorous, and resistant to black-spot and rust. It should make an outstanding addition to the rose garden.

MATTERHORN, the other award winning hybrid tea, is a white rose as the name would indicate. The ivory-white buds are longer than average, nearly perfect in form and shape, tapering with the petals curved out attractively at the tips. The blooms are high-centered, quite double with 30 or more petals, and measure up to 5 inches across.

The blossoms are borne on long single stems which are straight and strong. They never droop at the neck and always face upward. This white rose is stated to hold up well in all kinds of weather and we hope it is a great improvement over other white hybrid teas. The bush is tall, vigorous, free-blooming with moderate branching. The leaves are large and have a glossy, bright green color.

Apricot Nectar, the honored winner in the floribunda class, is large-flowered with a soft apricot color and a delightful old rose fragrance. The heart of the bud is a delicate apricot color that lightens some as the blossom unfolds, but is retained until the petals drop. The flowers are graceful with frilled petals, measure up to 5 inches across, are firm, and keep well when cut.

THE PLANT grows to a height of 3 feet, is hardy and vigorous, and bears flowers in abundance throughout the season. It is stated that no other floribunda rose has yet been developed that will equal it in vigor and its production of large hybrid tea shaped blossoms. The foliage is a rich dark green and is quite disease resistant.

So, there they are, the All-America Rose Selections for 1966. Many gardeners will want to try at least one of these award winning roses this year and, if so, it is suggested that the order be placed as soon as possible. The specialists in roses list them and they are included in a number of the general nursery catalogs as well. They are higher in price than other roses as is always the case with new introductions.

However, don't think that you have to consider primarily the award winning roses, for there are countless other varieties that will beautify and perform well in your garden.

Americans have the highest per capita consumption of paper in the world, about 479 pounds a year.

## Man Loses Pants Fighting Kangaroo

PERTH, Australia (AP) — Clem Bosesall drove along a road near Mount Barker, hit a kangaroo and lost his pants.

After hitting the animal he stopped and went back to see whether the kangaroo was hurt. It jumped up and started fighting.

In the struggle, the animal caught its foot in Bosesall's trousers and tore them off.

The fight ended in a draw. The two participants fled in opposite directions.

WINONA DEATHS

Anton B. Mathison, 80, 909 E. King St., died Sunday morning at his home after a year of illness. He was a retired meat cutter.

He was born Oct. 27, 1885, at Strum, Wis., to Olaus and Bertha Dahl Mathison and had lived in the city since 1940. He married Viola Hermann July 2, 1927, and was a member of St. Matthew's Lutheran Church.

Survivors are: His wife; one daughter, Mrs. Erling (Lillian) Nelson, Winona; six grandchildren; one brother, Joseph, Strum, Wis., and two sisters, Mrs. Gustave (Martha) Gulbrandsen, Chicago, and Mrs. Arthur (Olga) Indjager, Strum. A twin brother, Martin, has died.

Funeral services will be Wednesday at 1:30 p.m. at St. Matthew's Church, the Rev. A. L. Mennicke officiating. Burial will be in Woodlawn Cemetery. Friends may call at Breilow Funeral Home Tuesday from 7 to 9 p.m.

A memorial is being arranged.

Mrs. Agnes Grochowski

Mrs. Agnes Grochowski, 74, Gilmore Valley, died Sunday at 4:55 p.m. at Community Memorial Hospital after a long illness.

She was born here June 15, 1891, to Mr. and Mrs. John Grochowski and was a lifetime resident. She was a member of St. Stanislaus Catholic Church.

Survivors are: One daughter, Mrs. Leo (Rosemary) Voelker, Gilmore Valley, with whom she made her home 10 years; three grandchildren, one brother, Max Grochowski, Winona, and one sister, Mrs. Albert (Amelia) Glatner, Winona.

Funeral services will be Wednesday at 8:30 a.m. at Borzyskowski Mortuary and 9 a.m. at St. Stanislaus Church, the Rt. Rev. Msgr. N. F. Grulkowski officiating. Burial will be in St. Mary's Cemetery.

Friends may call at the funeral home after 2 p.m. Tuesday. Rosary will be said at 8.

Congress Set For Easy Week

WASHINGTON (AP) — Congress plans to take it easy this week.

The Senate and House were to meet briefly today and Tuesday, with the House scheduled to consider some private relief bills Tuesday. No other business is expected.

An informal recess is in progress until Wednesday in both chambers to allow members to go home for the annual Lincoln Day observances.

When the legislators return to work Wednesday, the House will take up a Senate-passed measure to create 45 additional federal judgeships and the Senate will consider a \$4.8-billion military procurement bill.

No other legislation is scheduled for debate during the rest of the week.

The Senate Foreign Relations Committee plans to resume Thursday its public hearings on U.S. policy in Viet Nam, with Gen. Maxwell D. Taylor, special presidential consultant, as the principal witness.

Proxmire Denies Viet Spending Invites Inflation

WASHINGTON (AP) — Sen. William Proxmire, D-Wis., said today a charge that Viet Nam spending is causing inflation is a serious public misconception.

The evidence will prove, he said, that Congress will appropriate for the entire defense establishment, including Viet Nam, less in relationship to the size of the economy that it did in peace-time 1956, 1957, 1958, 1959 or 1960.

"It is understandable that with the feeling of 'war psychology' and financial columnists saying almost daily that Viet Nam is driving us to inflation that such a misconception could be created," Proxmire said. "But it simply isn't so."

The proposed budget for fiscal 1967, he said, includes \$10.3 billion earmarked for Viet Nam, or 1 1/2 percent of the gross national product, estimated at \$722 billion this year.

Salesman Named to Minneapolis Post

MINNEAPOLIS (AP) — Robert Denny, 35, a salesman, was named 3rd Ward alderman by the City Council Friday. He succeeds Richard Kantorowicz, who was named a Municipal Court judge by Gov. Karl F. Rolvaag.

Denny, with support from Republican - oriented independents, defeated Liberal-backed Al Hofstede, 26, on a 7-5 vote. "The ward is traditionally Liberal."

## Two-State Deaths

### Lloyd Johnson

WEAVER, Minn. — Lloyd Johnson, Seattle, Wash., a former resident of the Weaver area, who died there recently, is survived by one daughter, Joan. A daughter, Nancee, and sons, Steve and Gary, have been adopted by James G. Koskimaki, San Diego, Calif. This is a correction.

### John Jostock

LAKE CITY, Minn. (Special) — John Jostock Sr., 81, Lake City, died of a heart attack Saturday about 4:15 p.m. on the Wilbur Mancilman farm. He was a retired farmer.

Mr. Jostock had driven his car to the farm and found no one home. His body was found on the farmyard by the Mancilman family upon returning home.

He was born Oct. 7, 1884, in Germany to Mr. and Mrs. Nicholas Jostock. He lived near Hammond after arriving in this country and married the former Elizabeth Kohn Feb. 22, 1909. They lived in the Millville area and she died in 1945. He married Mrs. Carrie Hughes, Osage, Iowa Sept. 17, 1946. The couple had lived in Lake City since 1947.

Survivors are: His wife; five sons, John, Winona, Gervas, Lake City, Robert and Myron, Rochester, and Gerald, New Prague; two daughters, Mrs. Edward (Isabella) Priebe, Lake City, and Mrs. Floyd (Anna Marie) Nienow, Plainview; 25 grandchildren; 19 great-grandchildren; one brother, Matthew, Hammond; and two stepdaughters, Mrs. Kathleen Schnittger and Mrs. Beverly Genzler, Everett, Wash. Two sons, four brothers and two sisters have died.

Funeral services will be Wednesday at 10 a.m. at St. Mary's Catholic Church, the Rt. Rev. Msgr. Warren Ryan officiating. Burial will be in St. Joachim's Cemetery, Plainview.

Friends may call at Schleicher Funeral Home, Millville, after 7 p.m. today. Rosary will be said Tuesday at 8 p.m.

### Miss Florence Thors

WABASHA, Minn. (Special) — Miss Florence Thors, 87, Duluth, a native of Wabasha, died Saturday evening at Moose Lake Hospital. She has been hospitalized two months.

She was born here Jan. 22, 1879, to the late Alexander and Isabelle Thors. She was graduated from Wabasha High School, after which she attended Winona Normal School. She taught in Wabasha and Red Wing. Her family moved to Duluth in 1918. She taught in several northern Minnesota communities, until she retired eight years ago. She had lived with her sisters, Daisy and Miriam, who have died.

She is survived by first cousins.

Funeral services will be at 2 p.m. Tuesday at Buckman-Schier's Funeral Home, the Rev. A. J. Ward, United Church of Christ, officiating. Burial will be in Riverview Cemetery.

Friends may call at the funeral home this evening and until time of service Tuesday.

### Mrs. John Anderson

LAKE CITY, Minn. (Special) — Mrs. John Anderson, 86, died early Sunday at Pepin View Nursing Home where she had lived since February 1960.

The former Nettie Boster, she was born Nov. 6, 1879, to Mr. and Mrs. Daniel Boster, West Plains, Mo. She was married to James Key, March 4, 1907. He died in 1918. She was married to John Anderson, St. Louis,

Feb. 21, 1927. The couple lived in Lake City several years and Mr. Anderson died in 1957. She was a member of First Methodist Church.

Survivors are: Two sons, Noel W. Key, Red Wing, and James W. Key, North Hollywood, Calif.; five grandchildren; and 10 great-grandchildren. Ten brothers and sisters have died.

Funeral services will be Wednesday at 2 p.m. at First Methodist Church, the Rev. Robert E. Rollin officiating. Burial will be in Oakwood Cemetery.

Friends may call at Peterson-Sheehan Funeral Chapel from 2 p.m. Tuesday to 1 p.m. Wednesday, then at the church.

## Two-State Funerals

### Adelbert O'Brien

WITOKA, Minn. — Funeral services for Adelbert (Dell) O'Brien, rural Witoka, were held today at Breilow Funeral Home, Winona, the Rev. Roger Lynn, Witoka Methodist Church, officiating. Burial was in Woodlawn Cemetery, Winona.

Pallbearers were Everett Balch, Donald Douglas, Allyn Hoppe, Irvin Passell, Howard Lee and George Hess.

### Mrs. Wendell C. Cheney

LAKE CITY, Minn. (Special) — Funeral services for Mrs. Wendell C. Cheney, 61, who died early Saturday morning at Methodist Hospital, Rochester, where she was a patient 10 days, were conducted today at Peterson-Sheehan chapel, the Rev. Alfred J. Ward officiating.

Services will be held at a funeral home at Rushville, Ind., Wednesday. Burial will be in Zion Cemetery, Raleigh, Ind.

## Municipal Court

### Forfeitures:

Thomas E. Schmidt, 19, 4725 6th St., Goodview, \$50 on a charge of having an open bottle of vodka in his car Friday at 9:50 p.m. at U.S. 61-14 and Huff Street. An additional charge of making an improper turn at U.S. 61 and Orrin Street, brought by the Minnesota Highway Patrol, was dismissed.

Lois A. Horman, 19, Winona Rt. 2, \$5 on a charge of littering at U.S. 61-14 and Huff Street Friday at 9:50 p.m. Highway Patrol made the arrest.

Daniel W. Scharrer, 20, 571 W. Mill St., \$25 on a charge of speeding 40 m.p.h. in a 30 zone on Kraemer Drive Thursday at 9:53 p.m.

Ronald V. Benrud, Aurora, Minn., \$25 on a charge of speeding 50 m.p.h. in a 30 zone on 5th Street from Junction to Pelzer streets Friday at 12:27 a.m.

John L. Heaser, 1761 W. Wabasha St., \$25 on a charge of speeding 60 m.p.h. in a 50 zone on U.S. 61 in Winona Feb. 6 at 1:45 p.m. Highway Patrol made the arrest.

Martin A. Nelson, 24, Winona Rt. 2, \$15 on a charge of driving with unsafe equipment on U.S. 61-14 in Winona Saturday at 9:45 a.m. Highway Patrol made the arrest.

Allen S. Kouba, 18, Fountain City, Wis., \$10 on a charge of going through a red light at 3rd and Franklin streets Saturday at 7:35 p.m.

## Examination for Man in Slaying

SLAYTON, Minn. (AP) — Everett Gilles, charged with killing his ex-wife and mother-in-law, will undergo psychiatric examination at Minnesota Security Hospital in St. Peter.

District Judge Walter Mann of Marshall signed the order Friday.

A Murray County grand jury indicted Gilles on two counts of first degree murder in the Dec. 19 gunshot slaying of Mrs. Rose-ene Gilles, and her mother, Mrs. Peter Schreier.

The women were shot to death on the steps of a Catholic church as they entered to attend Mass.

## RIVER FORECAST

(From Hastings to Guttenberg)  
The following stages are predicted for Winona in the next several days: Tuesday and Wednesday 9.6, Thursday 9.3.

## Freshman Hurt In Weekend Dance

MINNEAPOLIS (AP) — A University of Minnesota freshman was in critical condition today with injuries suffered in a fight at a weekend campus dance.

Richard Shamp, 18, Minneapolis, sustained a fractured skull and concussion. Shamp was injured during a dance at the Newman Center Friday night.

A student who said he witnessed part of the incident said Shamp was hit in the face during an argument with several other youths inside the building.

The youth's parents, Mr. and Mrs. Erwin Shamp, said doctors told them it appeared their son had been kicked.

## Supermarket Man Robbed of \$1,500

ROBBINSDALE, Minn. (AP) — A supermarket assistant manager was robbed of \$1,550 by an armed man Friday, police reported.

The store official, John Bolduc, 23, told officers the man held him up at the back door of a Country Club Market as he was returning to the store from a bank. The gunman drove off in a late-model car, Bolduc said.

Federal expenditures for education in 1966 will total \$27 billion, an increase of more than 75 percent over this year.

# 'Green Beret' Royalties Help GI Orphans

FT. BRAGG, N.C. (AP) — Staff Sgt. Barry Allen Sadler, reaping royalties from his song about the U.S. special forces, isn't forgetting the children of his buddies who didn't return home from Viet Nam.

Sadler has established an educational foundation for the children of deceased special forces men with part of the royalties of "The Ballad of the Green Berets."

More than 700,000 copies of the record already have been sold and he is in demand for special appearances across the nation.

Sadler, 25, is a Viet Nam veteran. A native of Carlsbad, N.M., he supports his wife and 13-month-old son largely on his Army pay. A special forces spokesman said a staff sergeant received about \$271 a month "plus allowances."

The song is a sentimental tribute to the special forces men trained at Ft. Bragg's John F. Kennedy Special Warfare Center. The outfit's trademark is the green beret.

## Big Oxygen Plant Planned Near Babbitt

DULUTH, Minn. (AP) — One of the nation's large chemical firms will build a multi-million dollar oxygen plant near Babbitt, it was learned Sunday night.

Announcement was made by Union Carbide Corporation's Linde Division. A spokesman for the firm said here that construction is expected to begin in April with a completion date target set for late this year.

The spokesman said the plant will be able to produce 175 tons of liquid oxygen per day. It will employ about 27 men.

Union Carbide representatives declined for what they called competitive and other business reasons to reveal the exact cost of the plant at this time. It was generally regarded, however, as a project costing several million dollars.

The plant will enable the firm to meet increasing demands for oxygen for use in jet piercing drilling of taconite ore on the Mesabi Range.

It will be located on the former Tomahawk Lumber Co. site two miles outside Babbitt, which is some 30 miles northeast of Virginia.

## Woman, Girl Dead in Afton Plane Crash

AFTON, Minn. (AP) — A young married woman and her teenage sister-in-law were killed when a light plane crashed on a farm near this Washington County community Sunday evening.

The woman's husband and pilot of the plane, Donald Davies, 19, was severely injured with a broken jaw, broken legs and a crushed foot. He was taken to Hastings Memorial hospital.

Those killed were Davies' wife Yvonne, 19, and his sister Beverly, 12.

All were of the rural Hastings area.

The crash occurred about 6 p.m. Sunday as the three were seeking to photograph deer on a

# Laird Sees Doubling of Viet Troops

WISCONSIN RAPIDS, Wis. (AP) — The United States will double its troops in South Viet Nam by June 1, the chairman of the House Republican Conference says.

Rep. Melvin R. Laird, R-Wis., called upon President Johnson Saturday night to ask specific authorization from Congress for increased U.S. commitments in the war area, but predicted the President wouldn't do so because he feared political strife within his own party.

"The Democratic party in Congress would be shown to be unable and incapable of running the legislative branch after it participated in such a political bloodbath," Laird said.

He said the U.S. plans to send 225,000 more troops to Viet Nam within the next four months. There are about 200,000 American servicemen presently involved in the conflict.

## Pepin County Tax Bill Up To \$94,052

DURAND, Wis. — The total tax bill in Pepin County this year is \$945,052 — \$89,689 higher than last year.

The tax bill is spread on an equalized valuation of all real and personal property in the county, which totals \$1,097,890.

Taxes assessed against Pepin County total \$5,941. County taxes apportioned on the property owners total \$940,605.

The total raised by towns, villages and cities for their own purposes is \$99,389.

School district taxes are \$496,651 in this year's bill — \$62,769 higher than last year. The total property tax bill on the eight towns is \$546,130.20; on the two villages, \$90,398.38; and the one city, \$308,523.69.

Total property taxes in the TOWNS (cents omitted): Albany, \$70,316; Durand, \$48,973; Frankfort, \$56,933; Lima, \$88,302; Pepin, \$113,864; Stockholm, \$32,550; Waterville, \$111,432; and Waubeek

# Clark: 'Hope Iowa Not This Rough'

MINNEAPOLIS (AP)—Archie Clark caressed his throat tenderly and thought aloud, "I just hope Iowa isn't this rough too."

Clark, the 24-year-old Air Force veteran, Minnesota Gopher basketball captain and poppy of a team which probably should have been out of the Big Ten race a long time ago, had just scored 29 points to lead the Gophers to an 81-71 victory over Michigan State.

In the process, he nearly got his Adam's apple displaced by a sharp shoulder.

The triumph not only knocked the Spartans out of a tie with Michigan (7-1) for the Big Ten

lead, but also kept the Gophers very much in contention for the conference championship. MSU slipped to second with a 6-2 record, while Minnesota is third at 5-2.

The Gophers play at Iowa Tuesday night.

"I'm all right," Archie confirmed in the dressing room, "but I hope the rest of them aren't all this tough. When I got hit on the throat, I thought my collarbone might be broken, there was such a sharp pain down my shoulder. It scared me to death."

A broken collarbone for Clark would be just about all the Go-

phers need at this point.

They've battled back from the scholastic loss of Don Yates and the broken thumb of Lou Hudson to hang in the Big Ten race.

Hudson will carry a cast at least two more weeks, but he got 17 points in support of Clark Saturday night. "It's a little better," Hudson said of a somewhat lighter and shorter cast, "but not a great deal. I don't have much more shooting touch, but I can handle the ball better."

Gopher Coach John Kundla, asked to assay the Big Ten dogfight as it now stands, would only offer:

"I can't assess it. All I can do is look to the next game, and we know Iowa is good in spite of its recent losses."

For a while Saturday night, it looked like the Gophers might go into shock. They got little offense going the first half, ran their plays raggedly and only their tough-fisted defense kept them in the game.

Michigan State built a couple of 6-point leads the first half. "Some of our kids were so shook the first half," Kundla said, "that they didn't know what they were doing out there. Then they settled down and were all right."

"We were really tight that first half. I didn't tell them to relax at the half, but I did have to diagram some of the plays. I told them, 'Hey, guys, remember these plays?'"

The Gophers came out running and rebounding in the second half, but still trailed at 47-46 with 13 minutes to play.

Then Minnesota began blitzing, thanks to a wide rebounding edge sophomore Tom Kundla was getting off the backboards.

Kundla hit on a three-point

JOHN KUNDLA  
A Halftime Lesson

# Teams Taking Giant Steps Toward Meet

By THE ASSOCIATED PRESS  
A number of the nation's top college basketball teams can take some giant steps toward

spots in the NCAA national tournament on a key schedule tonight, while one conference is just waiting for time to count them out all together.

Such standouts as Kentucky, Duke, Chicago Loyola, Texas Western and Providence seek to nail down conference or at-large spots in the first-round tournament schedules, or at least improve their already very good chances in games tonight.

The important action Tuesday is off the court and on the conference table. That's the deadline for the Ivy League — and others — to file certification that they will abide by a controversial NCAA rule establishing a grade minimum for athletes.

The Ivies have announced they won't do it. And the NCAA has said that if they don't, they are ineligible for NCAA championship events — including the basketball tournament.

Just what will happen to the Ivy spot in the NCAA tournament is still open to question — whether it will be filled by an at-large team, or whether it won't be filled at all.

But while the athletic brass wrestle with that administrative problem, solutions of a more basic nature will be forged on a number of courts tonight.

Top-ranked Kentucky, eyeing a fifth national title, takes its 19-0 record to Alabama in quest of its 11th straight SEC victory. A victory, and the Wildcats are favored, would just about put them out of reach of the rest of the league.

Vanderbilt, ranked fifth in the nation at 17-3, has the best chance. The Commodores are 8-2 in the conference and have a game against Auburn tonight.

Duke, No. 2, is at home to South Carolina and figures to improve on its 9-1 league record and 17-2 over-all. The Blue Devils, of course, must survive the league's post-season tourney to make it to the NCAA.

Three other members of the top 10, all shooting for at-large berths and all practically certain of making them, are in action. No. 3 Chicago Loyola, 17-2, is at home to Western Michigan, No. 4 Texas Western, 18-0, is at home to Arizona State, and No. 6 Providence, 17-2, goes to DePaul.

Texas Western had its hands full at New Mexico Saturday night. The Miners were down by 20 points at one stage and had to go to overtime before pulling out a 67-64 victory.

## FIFTH PLACE ON LINE St. Mary's Will Meet Hamline

By GARY EVANS  
Daily News Sports Editor

St. Mary's tonight travels to St. Paul to play Hamline in an MIAC basketball game.

A check of the records reveals that could be a disturbing fact for the Redmen, who have managed just one victory in six conference trips.

At home, St. Mary's has won three and lost two. That means a league record of 4-7 and a tie for fifth place.

And that fifth-place tie is just why this game is so important. The club St. Mary's is tied with is Hamline.

Though the Pipers have slipped from national prominence under Joe Hutton to also-ran classification, St. Mary's coach Ken Wiltgen does not have this one down as a "breather."

"We haven't had an easy game all year," said Wiltgen. "There's no reason to suspect this will be any different. Hamline is big enough and shoots well enough to make it tough for anyone. We look for a good game."

An earlier meeting between the two teams resulted in a 62-56 win for St. Mary's. But that game was played in the friendly atmosphere of the Redmen gym.

"I wouldn't say we weren't playing as well on the road," said Wiltgen. "Personally, I don't feel we've played a good game all year. We certainly haven't played up to our potential. Except for a good half against Lu-

ther and a good half against Loras, we haven't looked that sharp."

And in the coach's estimation, it's a matter of confidence.

"I watched St. Cloud play Winona State Saturday," he said. "And the thing that impressed me most about St. Cloud was its confidence. St. Cloud played the same way from start to finish, and you knew those kids were out there thinking they were going to win."

"What we have to do now," continued Wiltgen, "is get back some poise and confidence and stop making so many dumb mistakes. We played with confidence last year. We went out and played the same way from start to finish. Then you know it's just a matter of time before things fall into line."

St. Mary's tonight will go with its original starting lineup of George Hoder at center, Rog Pytlewski and Tom Keenan at forwards and Jim Buffo and Jerry Sauter at guards.

Jim Murphy will be available for reserve duty, but guard Dennis Ludden was a questionable performer.

"He missed practice yesterday," said Ken. "He has had the flu. Whether or not he will be ready, I don't know."

Following tonight's game, St. Mary's has tilts with St. John's (here Thursday), Duluth (here Saturday), Augsburg (here Monday) and Macalester (away Feb. 25) remaining.

The Redmen rank 8-12 overall.

BUTTERFINGERS . . . Los Angeles Lakers Rudy LaRusso (35) appears to be involved in a very tricky pass play during an NBA game against the Boston Celtics at Boston Garden Sunday. Actually a rebound had been slapped through his hands by Celtics' Don Nelson. The Lakers topped the Celtics 120-110. (AP Photofax)

## Red Is Not So Doggone Bad; Weeps at Fete

BOSTON (AP) — Arnold (Red) Auerbach, the most successful pro basketball coach in history, is stepping out as boss of the Boston Celtics with regret and the admission he isn't quite as tough as he appears.

The fiery Auerbach, graying and balding at the age of 48, shed a couple of tears Sunday as he was hailed and showered with gifts at halftime of the Celtics' 120-110 National Basketball Association loss to Los Angeles. A Boston Garden crowd of 10,679 and a national television audience watched the festivities.

"This is just making it tougher to retire," said Auerbach, who plans to move into the Celtics' front office on a full-time basis after this season. "But I'm going to retire. I have to."

Auerbach was rather quiet in the first half as the Celtics rallied to trail only 63-59 at the intermission. After the emotion-packed salute, though, he be-

came his old self, drawing a technical foul for protesting an official's call.

But technicals are old stuff to Auerbach, who already has paid nearly \$1,000 in fines this year. His outbursts in support of his players have been widely reported in his 20 seasons as an NBA coach.

After the game Auerbach managed smiles and talked softly with writers as he puffed on a cigar in the crowded dressing room. This was a "new" Auerbach. The "old" rarely managed a weak grin and a couple of words after a defeat.

"They say that losing comes easier as you grow older," Auerbach said. "But losing keeps getting harder for me. I just can't take it like I used to. It's time for me to step out — but I want one more championship this year."

Auerbach, hailed as "the greatest coach in basketball history," received a silver tray,

a captain's chair, 22 plaques featuring highlights of his 16 years with the Celtics, a lighter for his cigars, a silver cigar box, and portraits of himself, his wife and two daughters.

He also received the basketball of his 1,000th NBA victory, an unprecedented milestone reached last month, and a wrist watch with "1,000" on the dial.

## AFTER LATE WIN Redmen Keep Hopes Alive

St. Mary's hockey team, its MIAC season completed with a 4-1 midnight victory over Macalester Saturday and Sunday, will keep its fingers crossed as it takes to the ice in its season finale at Bemidji State today.

Macalester found it made little difference to the Redmen what time they donned their skates.

Scheduling the make-up game for the weird hour of 11:30 p.m., Macalester still couldn't cope with St. Mary's, which goes into today's game with a 13-3 season record. The Redmen finished 11-3 in the MIAC and can do no worse than finish second.

But with a big assist from St. Thomas, St. Mary's could gain a share of its third straight ice championship. The Redmen trail Gustavus Adolphus by two games in the standings and the Gusties meet the Tomnies in the first of two games today at Alrich Arena in St. Paul at 3 p.m.

So the Redmen will be keeping an ear open for a score from St. Paul while they are skating against Bemidji.

The Beavers have only one loss this year, that coming at the hands of the Redmen by a 5-4 overtime decision at Terrace Heights nearly a month ago.

At that time the Redmen were just breaking out of a three-game losing streak, but they go into today's game with a nine-game victory string and a chance to finish the season with 10 in a row and a 14-3 record.

After Gustavus meets St. Thomas today, the two squads have a rematch Friday. It would take a pair of Tommie victories to give

St. Mary's a share of the title. Gustavus goes into today's game with an 11-1 MIAC record.

Saturday night — or maybe that should be Sunday morning — St. Mary's used a two-goal performance from Dennis Cooney and Larry Shomion's tie-breaker in the second period to deflate Macalester.

Cooney connected in the first period to give the Redmen a 1-0 lead, but Macalester came back on Ken Grundt's tally in the second period to tie it.

Then Shomion hit midway through the second period to put the Redmen on top for good. Cooney fired another one home in the third period and Brian Desbiens added a little icing to the victory cake with a sizzler in the final stanza to wrap it up.

ACKNOWLEDGES SALUTE . . . Arnold (Red) Auerbach, retiring coach of the Boston Celtics, raises his arms to stop applause at Boston Garden Sunday, where he was hailed as the "greatest coach of basketball history."

## NFL Owners Begin Stocking

PALE BEACH, Fla. (AP) — The expansion-minded world of professional sports will have its eye on the National Football League today when the owners tackle the job of stocking their newest baby, the Atlanta Falcons, with 42 veteran players.

In ordinary times, only the cities involved and the men who reportedly have a \$8.5-million

stake in Atlanta would be vitally interested. However, in this day of proposed expansion in baseball, hockey and basketball, every move to stock a new team is observed closely.

Baseball, deeply involved in a legal battle over the Braves' shift from Milwaukee to Atlanta, insists the National League

cannot expand at this time. A Wisconsin judge has ordered the Braves to stay in Milwaukee or for the league to expand in 1966 and make major league baseball of "competitive quality" available in Milwaukee.

Because of the expansion talk in all sports the manner of stocking a team becomes ras-

important. When the NFL took in Dallas in 1960 and Minnesota in 1961 it froze a certain number of veterans and let the new teams pick three from each of the established clubs. A similar plan will be worked out for Atlanta.

With 45,000 season tickets already sold at Atlanta and new coach Norm Hecker anxious to come up with a representative team, there may be some surprising names on the lists of available players.

The owners must decide how many of their 40-man rosters to exempt or freeze. It is expected they will keep 30 or 32 out of the draft. That would give Atlanta three picks from the bottom eight or ten players on each team.

After they have agreed on a formula, probably Tuesday, the actual selections will be made Wednesday.

The Falcons have a strong base of rookies for they participated in the draft last November and signed 20 players.

The drafted and signed included linebacker Tommy Nobis, Texas' All-American, Randy Johnson, Texas A&I quarterback, and halfbacks Nick Raskas and Bill Wolski and end Phil Sheridan of Notre Dame.

**LOCAL RINKS TRIUMPH** ... Three local rinks, two from Centerville and one from Galesville, swept all events at the 15th annual Centerville Mixed Bonsel held over the past weekend. First-event winner was the Leroy Hovell rink of Centerville (left). Bonsel chairman Ted Harris (right) presents the trophy to Hovell while Mrs. Hovell, Mich Hovell and Mrs. Mich Hovell look on. Second event champion (center) was the Les Grover rink of Centerville. From left to right are: Les Grover, Mrs. Grover, Mrs. Rollie Kriesel and Rollie Kriesel. Galesville captured third event honors in the persons of the John Salsman rink. From left are: Brook Smith, Mrs. Brook Smith, Mrs. John Salsman and Salsman. (Daily News Sports photo)

#### AT CENTERVILLE

## Home Rinks Win 'Spiel

CENTERVILLE, Wis. — Two rinks from the home Centerville Club and one from neighboring Galesville swept all the honors in the 15th Annual Centerville Mixed Bonsel which wound up at the Centerville Curling Club Sunday.

With a standing room only crowd of over 200 looking on, the Leroy Hovell rink of Centerville defeated the Bob Nienow rink of Mapleton to take the first event championship and become the only team to go through the entire bonsel, which had 34 entrants, undefeated.

**THIRD-PLACE** in the first event went to the Bill Trimm rink of Galesville. Making up the championship rink were Mr. and Mrs. Leroy Hovell and Mr. and Mrs. Mich Hovell.

And while the Hovells were prevailing on sheet No. 1, the Les Grover rink of Centerville was keeping second event honors for the

home club. The Grover rink, made up of Mr. and Mrs. Les Grover and Mr. and Mrs. Rollie Kriesel, defeated the Bill Alschlager rink of Mapleton.

Third place in the event went to the Dave Kemscoe rink of Galesville.

**THE John Salsman rink** saved one-third of the honors for Galesville, where half of the bonsel competition took place. Consisting of Mr. and Mrs. John Salsman and Mr. and Mrs. Brook Smith, the Salsman rink defeated the Harlan Hunter rink of Galesville for third event honors. The Harold Schwartzoff rink of Galesville was third.

In addition to Centerville, Galesville and Mapleton, rinks from Lodi, Wis., Clintonville, Wis., and La Crosse competed in the bonsel.

High school curling is held every Sunday at the Centerville Curling Club.

### Heilman to Head Rochester Pro Boxing Program

ROCHESTER, Minn. — Andy Heilman, sensational middleweight from Fargo, N.D., who now headquarters out of Los Angeles, will headline a professional boxing card to be presented at Mayo Civic Auditorium, Wednesday, has been announced by promoter Ben Sternberg.

Heilman, who kayoed three straight opponents in winning the Upper Midwest Golden Gloves crown in 1961, has a 23-1 pro record and is considered a top middleweight contender. In the 10-round main event he will clash with Doug McLeod, rugged battler from Grand Rapids, Mich.

Duane Horsman, Chatfield slugger, will appear in a special event — meeting Willie Johnson of Chicago, while heavyweights Ron Marsh and Ed (Baker Boy) Hurley will also be featured.

Wednesday night's mitt program at Rochester gets under way at 8:30 p.m. Tickets are on sale at the Mayo Civic Auditorium boxoffice.

### WISCONSIN'S UNBEATENS

MILWAUKEE (AP) — Wisconsin's undefeated high school basketball teams:

**Large Schools**  
Sixteen games—Madison East, Wisconsin Lutheran.  
14—Green Bay West.  
14—New Holstein.

**Small Schools**  
14—Alma.  
14—Altoona.  
14—Eagle River, Oneida Lutheran, Stockbridge.

five straight over arch-rival North Dakota this weekend in the Gophers' late season drive for the league title.

The Gophers nipped Michigan 3-2 Saturday to complete a sweep of the two-game series and posted their 12th win in their last 15 games.

First place Michigan Tech, meanwhile, fell to Denver 3-2 and now holds only a half-game lead over the onrushing Gophers. Tech, defending NCAA champion, has an 11-4 slate with four league contests remaining. Minnesota is 12-6-0 and also has four games left.

Unless Minnesota stumbles Friday and Saturday against the Sioux, the WCHA title will be decided the following weekend when the Gophers and Tech collide in a two-game series at Houghton, Mich.

After a fast start, the Huskies have only a 2-3-1 slate over their last six league games.

Minnesota has beaten North Dakota three times this season, sweeping a two-game series at Grand Forks, N.D., after downing the Sioux in a holiday tournament in St. Paul.

Sophomore sensation Gary Gambucci fired in a third period goal for the Gophers' winning margin against Michigan. Rob Shattuck and Dennis Zacho had the other Minnesota markers.

Denver took a 3-0 lead into the final period, which withstood goals by the Huskies' Steve Yoshino and Wayne Weller.

North Dakota, now 11-7-0 and third in the WCHA, rebounded from a loss the previous night to conquer Duluth 5-2. Terry Casey and Dennis Hextall had two goals apiece for the Sioux. Mike Tok and Pat Francisco tallied for the Bulldog, who slipped to 1-14-1 in the league.

Standings:

	WCHA	Season
	W. L. T.	W. L. T.
Mich. Tech	11 4 1	16 2 1
Minnesota	12 6 0	14 7 0
North Dakota	11 7 0	14 9 1
Denver	8 4 2	13 8 2

Colo. College	10 10 0	11 14 0
Minn.-Duluth	1 12 1	5 14 1

**FRIDAY AND SATURDAY**  
 North Dakota at Minnesota.  
 Michigan at Minnesota-Duluth.  
 Colorado College at Denver.  
 Michigan State at Michigan Tech.

# Michigan Overrated? Guess Again, Fella!

By THE ASSOCIATED PRESS

Displaying signs of a true champion, Michigan is heading for a third straight Big Ten basketball title with little chance of being sidetracked.

Less than two weeks ago, Illinois went to Michigan and handed the Wolverines a shocking and unexpected defeat, indicating the Wolverines might have been overrated even with All-America Cazzie Russell

leading the attack.

But Michigan bounced back. The Wolverines went to Indiana and hammered the Hoosiers 63-76 and returned home Saturday to pound Wisconsin 120-102 and set three team scoring records in the process.

Earlier in the season, Michigan escaped from the clutches of the same Wisconsin team with a 69-67 victory.

While the Wolverines were rebounding, Illinois went home all set to make a run for the title. The Illini barely edged Ohio State and then fell flat before Northwestern and Indiana.

Indiana's 81-7 triumph Saturday all but eliminated Illinois from championship consideration.

Illinois wasn't the only team unable to keep pace with Mich-

igan. Rival Michigan State was dropped from a first place tie when the Spartans were roughed up at Minnesota 81-71. Northwestern defeated Iowa 81-73 and Ohio State downed Purdue 68-54.

Minnesota climbed into third place ahead of Illinois and one-half game behind Michigan State. If the revived Gophers can escape defeat this week,

they'll remain in serious contention.

But that will not be easy. Minnesota is at Iowa Tuesday and at Illinois Saturday. Iowa has yet to lose at home and Illinois is about ready to take it out on someone.

Michigan State's chances are sound if the Spartans can avert defeat at Wisconsin Saturday. After that, the schedule softens

and winds up at East Lansing against Michigan. It could be the game for the championship if Michigan State remains in the running that long.

Michigan's only tough game until the finale at Michigan State is its meeting with the Hawkeyes at Iowa Feb. 21. If Michigan wins at Iowa, the title might well be decided before the finale at Michigan State.

# Lead See-Saws But Stout No. 1

By THE ASSOCIATED PRESS  
Twenty times the lead changed hands in the game, but when the tumult was stilled, Stout's grip on the Wisconsin State University Conference crown was only stronger.

The Blue Devils' 67-66 decision over Oshkosh Saturday night all but wrapped up the WSUC basketball title — a dead Stout can complete tonight as host to struggling Superior.

Mike Thompson triggered a five-point sprint that eradicated the Titans' last lead and carried Stout to the victory that opened up a two-game lead over second place Oshkosh with just three games to play.

The Blue Devils, bridesmaids last season, can clinch at least a tie with a victory over Superior and can collect the title outright by adding a triumph over Platteville Friday night.

In other Saturday games, defending champion La Crosse fortified its hold on third place by turning back Platteville 100-79; suddenly aroused Stevens Point belted Eau Claire 106-78, and River Falls victimized winless White-water 91-78 as seven Warhawks fouled out.

Stout's showdown duel with Oshkosh was as torrid as a summer in Sonora. The teams traded the lead 14 times in the first half

before the Blue Devils edged ahead 36-33 by intermission.

Oshkosh surged back in front 43-42 and the rivals reversed command six more times before the five-point sprint wiped out Oshkosh's last edge at 54-43 and enabled Stout to pause and pick its shots the rest of the way.

Thompson had 20 points and teammate Willie White 18 while Gene Englund led Oshkosh with 24.

Stout now stands 12-1 and Oshkosh is 10-3. La Crosse raised its record to 7-4 as Ace Stadhaus paced the conquest of Platteville with 23 points.

Stevens Point, only team to stop Stout, won its third game in its last four tries by sinking 53 percent of its shots against Eau Claire and climbing into sixth place after a winter among the weebees. Jerry Lawetzki hit 35 points and Chuck Ritzenthaler contributed 22 to the Pointers' output.

White-water, 0-13, in the WSUC and 1-17 for the season, was tied 55-55 with River Falls when fouls began taking their toll. All five Warhawk starters and two reserves went to the sidelines as River Falls raced to a 13-point victory. Bill Van Dyke, a transfer student who became eligible at the semester break, led the Falcons with 33 points.

WSUC	Conference	All Games
Stout	12-1	16-3
Oshkosh	10-3	13-4
La Crosse	7-4	9-7
Platteville	4-6	7-7
Eau Claire	5-7	7-8
Stevens Point	5-7	7-10
Superior	4-6	7-8
River Falls	2-8	8-9
White-water	0-13	1-17

La Crosse at River Falls, Superior at Stout, FRIDAY

Eau Claire at White-water (afternoon), Stout at Platteville, Superior at Oshkosh, La Crosse at Stevens Point, SATURDAY

La Crosse at Oshkosh, Eau Claire at Platteville, River Falls at Stevens Point, Superior at White-water.

# Block Busters In Third Place

Bub's Beer of the Hal-Rod City League held a short-term lease on third place in the WBA city tournament team division.

The Bub's group Saturday took over third with 2,886, but after Sunday's round at Winona, it slipped to fifth.

TOP TEN	Score
Hammer's Bar	3,047
AC	2,947
Emil's Menzies	2,940
Classic	2,936
Block Busters	2,934
Bay State - WO	2,934
Ruppert's Grocery	2,933
WG Men's - WG	2,933
Bob's Beer	2,931
City - HR	2,931

Schmidt's Bar	2,924
AC	2,924

nona Athletic Club had slipped all the way to fifth.

MOVING INTO third were Block Busters of the Bay State League at Westgate. That group

# AREA KEGLERS DOING WELL

From Associated Press Dispatches

Area Wisconsin bowlers continued to do well in Badger state pin tournaments over the past weekend.

Maurice Odegard of Durand moved into third place in the Minor division of the Wisconsin State Bowling Association's men's championship at Eau Claire. Odegard had a 624 series.

And the Ernie Reck Orchestra team of Arcadia still leads the Class C team division of the Wisconsin Women's Bowling Tournament at Wausau. The Reck squad has a total of 2,384 for a 106-pin lead over their closest contenders.

pinned 2,906, while Ruppert's Grocery of the Westgate Men's League took over fourth with 2,903.

But no one severely challenged the leading Hamernik's Bar team of the Winona Athletic Club Ace circuit. That quintet tops activities with a 3,047 series.

Block Busters got the tournament's highest series from Ken Johnson in the form of a 427. Johnson blazed games of 192, 221 and 234 in anchoring the team to its 2,906.

TED BLOCK powdered 197-189-192-578. Pete Cummings scored 172-227-213. Jim Ruppert shot 193-194-155-542. Gary Ruppert 190-157-183-530. Al Ruppert 159-165-147-471 and Ray Ruppert 131-158-127-416. That amounted to a 2,571 scratch total. The team used 332 handicap pins.

In individual happenings Sunday Louis Wera scored 224-598, Ralph Wiczorek 571 and Bob Kosidowski 563.

TONIGHT at 6:30 p.m. the following teams will compete: Hauser Black Crows (WG American), Graham & McGuire (WG American), Pozanc Trucking (WG Classic), Hilltop Taverna (Fountain City), McNally Builders (HR Commercial), Badger Foundry (HR Eagles), At 9 p.m. Swede's Liquor Store (WG Men's), Federated Insurance (WG Men's), Cortland Jewelers (WG American), Bolland Manufacturing (WG American), Emil's Menswear (WG Lakeside) and NSP (HR Legion) will shoot.

The team event continues through a 6:30 p.m. shift Thursday.

# Annex Keeps Unbeaten Mark, Tops Wards

Williams Annex kept its unbeaten City Basketball League record intact Sunday night by rolling over Montgomery Ward 79-40.

In the other game played First National Bank racked up a 65-54 victory over Main Tavern. Watkins received a forfeit victory over Lewistown.

Annex built up a 40-18 half-time lead and pushed four men into double figures. Bob Hazelton netted 19, Jim Rockers and Jim Silgen 13 each and Rich Brown 11. Bob Grausnick had 10 for Ward's Annex controlled the rebounds.

Bank led only 26-23 at half-time but widened that in the second half.

Charlie Goerisch scored 24 for the Bankers, John King 15 and Charlie Neal 10. Fred Beck hit 10 for the losers and Lowell Grossbach 11. Goerisch got 16 of his 24 in the second half.

# GOPHERS

(Continued from Page 15)

play, Dennis Dvoracek sank a short jumper, Wes Martins broke loose for a fastbreak layup and Clark got a layup off a neatly-executed play.

That run of nine straight points shoved the Gophers in front 55-47 and MSU never really recovered.

The Spartans trimmed the Gopher margin to five points three times, the last at 70-65 with three minutes left, but could get no closer. A late Minnesota flurry widened the final gap.

After Clark and Hudson, Kondla got 12 points, Paul Presthus 9, Dvoracek 8 and Martins 6. Bill Curtis led MU with 22, while Matt Aitch got 14 and Stan Washington and Steve Ryml 11 each. Washington fouled out with five minutes to go.

Kondla's 16 rebounds led the Gophers to a 39-33 edge in rebounding, and the Gophers outshot the Spartans 44, 41 percent to 39 percent.

# St. Felix Is Beaten 75-45 Redmen Win

Bi-State Conference teams split even over the weekend in nonconference basketball competition. Lima Sacred Heart won its third game of the season by trouncing Immanuel Lutheran of Eau Claire 67-41, while Wabasha St. Felix fell to St. Paul Hill 75-45.

# ST. FELIX HILL 75

Wabasha St. Felix appeared to have victory within its grasp before someone put a lid on the bucket in the fourth quarter and the Yellowjackets tumbled to St. Paul Hill 75-45.

Hill held a narrow 30-28 half-time lead and St. Felix jumped ahead 36-34 early in the third period. Hill regained the lead at 50-40 at the quarter's end, but Wabasha could manage only five points in the last quarter, stopping any comeback hopes.

Wabasha, now 4-5 for the season, was led by 18 points from John Bill. Fifteen of them came in the first half. Gary Roesske had 17 and Mike Semaj 15 for Hill.

Hill also won the "B" game 63-50.

IMMANUEL LUTHERAN 67  
Lima Sacred Heart posted its third victory in its last seven games and ran its season record to 4-12 with a 67-41 conquest of Immanuel Lutheran of Eau Claire.

The Redmen led from the outset as they avenged an early season 49-48 loss to Immanuel. Herb Poeschel led the way with 22 points. Ron Sinn and Bill Brunner had 10 each.

For Immanuel, Lynn Peterson hit 17 and Herb Grams had 12.

CONCORDIA'S Bob Laney kept the Cobbers in contention with a 32-point effort against Gustavus. Steve Kagol and Bill Laumann had 20 points apiece for the Gusties, who led only 39-38 at halftime.

Other MIAC action Saturday saw Hamline top Augsburg 84-67 to climb into a fifth place tie

# Cards Shock Southeastern Mat Favorites

PRESTON, Minn. — Four individual champions repeated and so, surprisingly, did the team champion Sunday in the Southeastern Conference wrestling tournament held here.

Harmony, the defending kingpin, turned the tables on favorite Le Roy-Ostrander and dark - horses Caledonia and Chatfield to take the championship with 87 points.

Le Roy was second with 72, while surprising Preston finished third with 55. Caledonia had 52, Chatfield 39, Spring Valley 33, Rushford 25 and Grand Meadow 50.

BALANCE was the key to Harmony's triumph as the Cardinals took three individual titles, three seconds, three thirds and a pair of fourths, placing 11 of their 12 grapplers in the top four spots.

Le Roy came up with four individual titles, but could get only one second, two thirds and a fourth. Preston built its third place total on three champions, one second and one third. Chatfield captured the other two individual crowns.

Glen and Steve Rice, Le Roy's outstanding brother combination, both came up with titles for the second straight year. Glen won again at 133, while Steve moved up from 138 to 145 and took that title.

ALSO WINNING their second titles were Gerri Matson of Harmony and Dale Richter of Chatfield. Matson, last year's 127-pound champ, moved down to 120 and took the title this year, while Richter, who prevailed at 120 a year ago, moved up to Matson's old weight at 127 and won that crown.

John Engle and Ken Vagls were the other Harmony champions, while Al Gail, Jim Scrabeck and Ron Greenslade also worked their way into the finals for the Cardinals to help pile up points.

Saturday, six of the eight competing teams will be entered in the District One tournament at Caledonia. Grand Meadow and Le Roy are members of District Two. Houston and La Crosse will replace these two teams in the District One tournament to bring the field to a full complement of eight.

CHAMPIONSHIP MATCHES  
95-Dennis Rehm (P) dec. LaVale House (SV) 7:10; Gary Burreson (P) dec. Al Gail (H) 7:10; Rex Back (L) dec. Steve Rogers (Chat) 3:17; Gerri Matson (H) dec. BALFANZ LEADS  
TRONDHEIM, Norway (AP) — John Balfanz of Minneapolis led six Americans Sunday by placing 11th in a special ski jumping warm-up meet for the forthcoming world championship.

# St. Thomas Victory Means MIAC Title Chase Is All Finished

# By THE ASSOCIATED PRESS

St. Thomas, 12-0, can clinch a tie for the Minnesota Intercollegiate Athletic Conference by defeating runnerup Gustavus Adolphus, 9-2, at St. Peter tonight. A win by Gustavus would probably extend the MIAC race to the wire.

After tonight's crucial contest, St. Thomas has games remaining with Concordia, St. John's and Hamline. Gustavus has contests with St. John's, Hamline, Minnesota - Duluth and Augsburg remaining after tonight.

St. Thomas won an earlier meeting 66-56 at St. Paul. Both won Saturday night — St. Thomas in convincing fashion 81-58 over Macalester, while Gustavus had to scramble for a 79-75 decision over Concordia.

The Tommies breezed to a 41-25 half-time lead in winning their 20th game in 23 outings. Fred Korba with 15 points paced five Tommies in double figures. Frank Foster had 11 for Macalester, which slipped to 3-9 in the MIAC.

Concordia's Bob Laney kept the Cobbers in contention with a 32-point effort against Gustavus. Steve Kagol and Bill Laumann had 20 points apiece for the Gusties, who led only 39-38 at halftime.

Other MIAC action Saturday saw Hamline top Augsburg 84-67 to climb into a fifth place tie

# with a 4-7 mark. Al Frost paced the winners with 19 points, Augsburg, now 3-9 in defense of the title it won the past two seasons, was led by Bob Kelley with 24 points.

Minnesota - Duluth and St. John's split against nonconference opposition.

Duluth stunned nationally ranked Northern Michigan 104-91 behind the scorching shooting of Jim Gornick, who hit 14 of 17 field goal attempts and scored 34 points. The Wildcats were averaging 109.2 points per game and leading the nation in team scoring.

It was only the third loss in 17 outings for the Wildcats, rated 4th in the Associated Press college division poll.

Duluth is last in the MIAC with a 2-9 slate.

St. John's absorbed a 106-77 licking at the hands of Loyola of Chicago, a major college power. Corky Bell led Loyola with 29 points and Joe Mucha had 20 for St. John's. Loyola led 60-34 at halftime in winning its 17th against two losses.

St. Cloud State tightened its hold on first place in the Northern Intercollegiate Conference by tripping stubborn Winona State 72-60.

Moorhead State drubbed last place Michigan Tech 83-63 to hike its NIC record to 4-3. Hank Riehm led the Dragons with 18 points, while Eric Paavilainen

# had 15 for Tech.

Carleton pushed its first place 83-78 as Jack Arado flipped in 26 points and Emmett Terwilliger added 24.

St. Olaf outlasted Grinnell 81-76 for a 7-6 record in the Midwest. Jeff Nelson paced St. Olaf with 25 points — one less than Jeff Frantz collected for the losers.

Action among independents saw Minnesota - Morris hit the century mark for the fifth time this season by blasting Northland of Ashland, Wis., 116-71, and Bethel walloped St. Paul Bible College 92-56.

# MIDWEST

# Arcadia Cops Regional Mat

WEST SALEM, Wis.—Arcadia's aggressive wrestling team flattened 12 foes to pile up its margin of victory in the regional wrestling tournament held Saturday.

The Raiders scored 76 points to outdistance surprising Independence which had 66. La Crosse Central was third, Cochrane-Fountain City fourth and La Crosse Logan fifth in the team standings.

Arcadia, undefeated in 20 straight dual meets and Coulee Conference champions, advanced five men to the sectional tournament next Saturday at Weston. Three of the advancing wrestlers were class champions: Linus Sobotta at 120, Ray Waletzko at 138 and Duane Dorn at 180.

INDEPENDENCE actually advanced more wrestlers to the sectional, six, but the Indians got championships from only Jerry Olson at 103 and Jim Halama at 133, and they recorded only two pins during the tournament.

Cochrane-Fountain City advanced three to the sectional meet, including 145-pound champion Fred Neitzel. Blair and Whitehall each advanced one wrestler. Blair's representative is 165-pound champion Steve Kittleson, while 95-pounder Wayne Knutson, who had to wrestle back to gain runnerup honors, will represent Whitehall.

ONLY A SMALL crowd turned out for the tournament, which was supposed to be a battle between Arcadia, Dairyland and Conference champion Cochrane-Fountain City and the two La Crosse schools. But Independence, which finished third in the Dairyland Conference final standings and runner-up to CFC in the conference tournament, surprised everyone with its showing.

The sectional tournament, last step before the WIAA state tournament in Madison, will be held Saturday at Weston, a consolidated school near Reedsburg.
